### **HBR Guide to Project Management (HBR Guide Series)**

Harvard Business Review, 2013-01-08 **MEET YOUR GOALS ON TIME AND ON BUDGET** How do you rein in the scope of your project when you've got a group of demanding stakeholders breathing down your neck? And map out a schedule everyone can stick to? And motivate team members who have competing demands on their time and attention? Whether you're managing your first project or just tired of improvising, this guide will give you the tools and confidence you need to define smart goals, meet them, and capture lessons learned so future projects go even more smoothly. The HBR Guide to Project Management will help you: Build a strong, focused team; Break major objectives into manageable tasks; Create a schedule that keeps all the moving parts under control; Monitor progress toward your goals; Manage stakeholders' expectations; Wrap up your project and gauge its success.

### **HBR Guide to Thinking Strategically (HBR Guide Series)**

Harvard Business Review, 2018-12-18 Bring strategy into your daily work. It's your responsibility as a manager to ensure that your work and the work of your team aligns with the overarching objectives of your organization. But when you're faced with competing projects and limited time, it's difficult to keep strategy front of mind. How do you keep your eye on the long term amid a sea of short-term demands? The HBR Guide to Thinking Strategically provides practical advice and tips to help you see the big picture perspective in every aspect of your daily work, from making decisions to setting team priorities to attacking your own to-do list. You'll learn how to: Understand your organization's strategy; Align your team around key objectives; Focus on the priorities that matter most; Spot trends in your company and in your industry; Consider future outcomes when making decisions; Manage trade-offs; Embrace a leadership mindset.

### **HBR Guide to Being More Productive (HBR Guide Series)**

Harvard Business Review, 2017-06-27 Productivity starts with you. Every day begins with the same challenge: too many tasks on your to-do list and not enough time to accomplish them. Perhaps you tell yourself to just buckle down and get it all done, skip lunch, work a longer day. Maybe you throw your hands up, recognize you can't do it all, and just begin fighting the biggest fire or greasing the squeakiest wheel. And yet you know how good it feels on those days when you're working at peak productivity, taking care of difficult and meaty projects while also knocking off the smaller tasks that have been hanging over your head forever. Those are the times when your day didn't run you; you ran your day. To have more of those days, more often, you need to discover what works for you, given your strengths, your preferences, and the things you must accomplish. Whether you're an assistant or the CEO, whether you've been in the workforce for 40 years or are just starting out, this guide will help you be more productive. You'll discover different ways to: Motivate yourself to work when you really don't want to; Take on less but get more done; Preserve time for your most important work; Improve your focus; Make the most of small pockets of time between meetings; Set boundaries with colleagues without alienating them; Take time off without tearing your hair out. Arm yourself with the advice you need to succeed on the job with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.
