Food hunting - Discuss with the class what they think are healthy foods and which are not, and be prepared to be surprised! Encourage the children to do a range of different healthy foods and have a healthy picnic. What can you include with seasonal foods for the children to describe the colour, taste and smell.

What counts as my five a day? - Use the [five a day](#) to look at what counts as one of your five a day.

Give the child a selection of foods to guess and get them to describe them and what is one of your five a day and what counts as one of your five a day? They could then draw a line down the centre of their table and draw the different foods.

Food groups and portion sizes - Look at the different groups of food and discuss how the children's portions of food might differ to what they are for their group. The children could be asked to look at different food groups.

Look at the different proportions with the help of the [portion and portion sizes](#).

Discuss also the importance of the correct order of food by looking at packaging and comparing the labels.
