Isolated In Silk Alone Together:

Sufi Lovers, Safavid Silks and Early Modern Identity Nazanin Hedayat Munroe, 2025-10-01 This book examines a group of sixteenth and seventeenth century figural silks depicting legendary lovers from the Khamsa Quintet of epic Persian poetry Codified by Nizami Ganjavi in the twelfth century the Khamsa gained popularity in the Persian speaking realm through illustrated manuscripts produced for the elite creating a template for illustrating climactic scenes in the love stories of Layla and Majnun and Khusrau and Shirin that appear on early modern silks Attributed to Safavid Iran the publication proposes that dress fashioned from these silks represented Sufi ideals based on the characters Migration of weavers between Safavid and Mughal courts resulted in producing goods for a sophisticated and educated elite demonstrating shared cultural values and potential reattribution Through an examination of primary source materials literary analysis of the original text and close iconographical study of figural designs the study presents original cross disciplinary arguments about patronage provenance and the socio cultural significance of wearing these silks

Sex and Isolation Bruce Benderson, 2007-10-02 Winner of France's 2004 Prix de Flore for his memoir The Romanian Story of an Obsession Bruce Benderson has gained international respect for his controversial opinions and original take on contemporary society In this collection of essays Benderson directs his exceptional powers of observation toward some of the most debated as well as some of the most neglected issues of our day In Sex and Isolation readers will encounter eccentric street people Latin American literary geniuses a French cabaret owner a transvestite performer and many other unusual characters they'll visit

subcultures rarely described in writing and be treated to Benderson's iconoclastic opinions about culture in former and contemporary urban society Whether proposing new theories about the relationship between art entertainment and sex analyzing the rise of the Internet and the disappearance of public space or considering how religion and sexual identity interact each essay demonstrates sharp wit surprising insight and some startling intellectual positions This is the first American volume of Benderson's collected essays featuring both new work and some of his best known writings including his famous essay Toward the New Degeneracy Outstanding University Press Book selection Foreword Magazine **Pulp Classics** John Gregory Betancourt, 2005-01-01 The Thrill Book is a legendary magazine one of the holy grails of pulp collecting Original copies sell for thousands of dollars if you can find them Running for sixteen issues in 1919 it was a magazine of strange bizarre occult mysterious tales but not quite a fantastic fiction magazine mixing various types of adventure stories with often outstanding fantasy horror and science fiction by Murray Leinster Seabury Quinn Francis Stevens Perley Moore Sheehan Tod Robbins Edward Lucas White Greye La Spina and other giants of the pulp era While sheer scarcity may have once added something to the lustre of The Thrill Book now that an issue is finally made available at an affordable price the reader may appreciate that this truly was a pioneering and supremely entertaining publication

Mineral Oils, Alone Or Combined with Insecticides, for Control of Earworms in Sweet Corn George Ware Barber, 1944 **Liberty's Dawn** Emma Griffin, 2019-06-18 Emma Griffin gives a new and powerful voice to the men and women whose blood and sweat greased the wheels of the Industrial Revolution Tim Hitchcock author of Down and Out in Eighteenth Century London This provocative study looks at hundreds of autobiographies penned between 1760 and 1900 to offer an intimate firsthand account of how the Industrial Revolution was experienced by the working class The New Yorker The era didn't just bring about misery and poverty On the contrary Emma Griffin shows how it raised incomes improved literacy and offered exciting opportunities for political action For many this was a period of new and much valued sexual and cultural freedom This rich personal account focuses on the social impact of the Industrial Revolution rather than its economic and political histories In the tradition of bestselling books by Liza Picard Judith Flanders and Jerry White Griffin gets under the skin of the period and creates a cast of colorful characters including factory workers miners shoemakers carpenters servants and farm laborers Through the messy tales of more than 350 working class lives Emma Griffin arrives at an upbeat interpretation of the Industrial Revolution most of us would hardly recognize It is quite enthralling The Oldie magazine A triumph achieved in fewer than 250 gracefully written pages They persuasively purvey Griffin's historical conviction She is intimate with her audience wooing it and teasing it along the way The Times Literary Supplement An admirably intimate and expansive revisionist history Publishers Weekly **Burning Boy** Paul Auster, 2021-10-26 A LOS ANGELES TIMES Book Prize Winner Booker Prize shortlisted and New York Times bestselling author Paul Auster's comprehensive landmark biography of the great American writer Stephen Crane With Burning Boy celebrated novelist Paul Auster tells the

extraordinary story of Stephen Crane best known as the author of *The Red Badge of Courage* who transformed American literature through an avalanche of original short stories novellas poems journalism and war reportage before his life was cut short by tuberculosis at age twenty eight Auster's probing account of this singular life tracks Crane as he rebounds from one perilous situation to the next A controversial article written at twenty disrupts the course of the 1892 presidential campaign a public battle with the New York police department over the false arrest of a prostitute effectively exiles him from the city a star crossed love affair with an unhappily married uptown girl tortures him a common law marriage to the proprietress of Jacksonville's most elegant bawdyhouse endures a shipwreck results in his near drowning he withstands enemy fire to send dispatches from the Spanish American War and then he relocates to England where Joseph Conrad becomes his closest friend and Henry James weeps over his tragic early death In *Burning Boy* Auster not only puts forth an immersive read about an unforgettable life but also casting a dazzled eye on Crane's astonishing originality and productivity provides uniquely knowing insight into Crane's creative processes to produce the rarest of reading experiences the dramatic biography of a brilliant writer as only another literary master could tell it

London Chartism 1838-1848 David Goodway, 2002-10-10 This book the first full length study of metropolitan Chartism provides extensive new material for the 1840s and establishes the regional and national importance of the London movement throughout this decade After an opening section which considers the economic and social structure of early Victorian London and provides an occupational breakdown of Chartists Dr Goodway turns to the three main components of the metropolitan movement its organized form the crowd and the trades The development of London Chartism is correlated to economic fluctuations and after the nationally significant failure of London to respond in 1838-9 1842 is seen as a peak in terms of conventional organization and 1848 as the high point of turbulence and revolutionary potential The section concludes with an exposition of the insurrectionary plans of 1848

Sea Spell Caroline Fox, 1981-10 **The Private World of Ottoman Women** Godfrey Goodwin, 2014-05-22 Recovering the oft neglected role of women in Ottoman high society and power politics this book brings to life the women who made their mark in a male domain Though historical records tend to favour the glitter of palaces over the trials of daily life Goodwin also reconstructs ordinary women's domestic toil As the Ottoman Empire first expanded and then shrank women travelled its width and breadth whether out of necessity or merely for pleasure Some women owned slaves while others suffered the misfortune of being enslaved Goodwin examines the laws which governed women's lives from the harem to the humblest tasks This perceptive study of Ottoman life culminates with the nineteenth century and explores the advent of modernity and its impact on women at a time of imperial decline

Pheromone Communication in Moths Jeremy D. Allison, Ring T. Carde, 2016-10-25 Common among moths is a mate finding system in which females emit a pheromone that induces males to fly upwind along the pheromone plume Since the chemical pheromone of the domesticated silk moth was identified in 1959 a steady increase in the number of moth species whose pheromone attractants have been identified now results in a rich base
