Israel in Crisis David Dolan, 2001 Eyewitness accounts and biblical prophecy merge in this provocative analysis by a veteran Jerusalem based journalist

What Lies Ahead? Canada's Engagement with the Middle East Peace Process and the Palestinians Jeremy Wildeman, Emma Swan, 2021-12-26 This edited volume explores Canada's foreign policy relationship with the Palestinians and broader Middle East Peace Process MEPP Canada was intensively involved from 1992 to 2000 in peacebuilding as a mediator in the multilateral part of the MEPP as chair of the Refugee Working Group and sponsor of Track II negotiations This all changed after a significant mid 2000s discursive and policy shift when Canada withdrew from the politics of Israel Palestine peacebuilding and took a strong partisan stance in favour of Israel Through 10 chapters by current and former government insiders and academics with extensive field experience this unique edited volume offers insight into decades of evolution in Canadian policy toward the Palestinians MEPP and the Middle East It arrives at an important time when the international community is reconsidering how it views Israel's entrenched occupation of the Palestinians after three failed decades of United States led efforts to find peace through a negotiated two state model Today peace may never have appeared further away after the Trump Administration adopted policies directly contradictory to the MEPP This proved a test to Canada's own official policy toward Israel and Palestine its longest running and most important region of engagement in the Middle East The chapters were originally published as a special issue of the Canadian Foreign Policy Journal guest edited by Jeremy Wildeman and Emma Swan

The Rapture Exposed Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible's Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God's healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God's beloved community

Prophecy and Current Events in the Middle East Chuck Lee, 2018-07-27 As the title implies Prophecy and Current Events in the Middle East Framing Israel's and America's Future traces Old and New Testament prophetic events beginning with the patriarch Abrams fathering of two sons who form the roots of religions now at war It details how the fulfillment of these events is impacting the world today and will impact the world in the near future The book documents ancient prophecies fulfilled through the modern miracle the nation of Israel and it delves into yet to be fulfilled prophecies of future wars that Israel will be forced to fight It documents the construction of the third temple and it examines ancient prophecies of a future tribulation time God's hand in Israel's survival and his role in the total destruction of their enemies The book documents how the prophecies of Old Testament prophets such as Daniel Ezekiel Zechariah Jeremiah

Joel Asaph and Isaiah correlate perfectly with New Testament prophecies of Jesus and the apostles John Paul Peter and Jude to show Gods power and total control as this present age comes to an end **The Silence Is Broken! God Hooks**

Ezekiel's Gog & Magog Douglas Berner,2006 What is the Silence of God How and when will God s silence be broken What will that mean to the people living in the world at the time Discover how the Silence of God will finally be broken and how the End Times will begin Learn how the prophecy of Ezekiel 38 how the War of Gog and Magog will be misunderstood as the War of Armageddon and what that will mean for the nations of the world *Israel in Crisis* Abraham Bernard Magil,1950 For Zion's Sake Paul Richard Wilkinson,2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel s restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ s glory and God s truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology Christian Zionism Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s *Christian Zionism Road Map to Armageddon* is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on *Christian Zionism* The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn t be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer s work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West

particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok The Zero Hour Calvin Fryar,2005-08 The Day of the Lord, the Key to Understanding End-Time Prophecy

Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy **Palestinian**
