The True Israel Harvey, 2018-12-10 Many studies have portrayed Judaism in Antiquity as sectarian with a variety of groups all claiming to be The True Israel Early Christianity is alleged to have begun in this context as one more Jewish sect claiming such authority However the second century Christian Justin Martyr is the first person known to have used the phrase the True Israel This book examines the uses of the names Jew Hebrew and Israel in the surviving literature especially the Bible Dead Sea Scrolls Philo Josephus New Testament and Mishnah to determine whether this is an adequate or accurate picture It discusses the associations of each word as determined by their actual usage and collocations rather than their theoretical origins It will be of value to scholars of ancient Judaism and early Christianity This publication has also been published in paperback please click here for details The Miasma of Unity: Jews and Israel Abba A. Israel Richard M. Cohen, 2014-09-16 The Washington Post's widely syndicated columnist writes a passionate account of his fears and hopes for the survival of Israel The Left, the Right and the Jews W.D. Rubinstein, 2015-10-16 First published in 1982 this book examines anti semitism in the Western world The author concludes that fringe neo Nazi groups notwithstanding significant anti semitism is largely a left wing rather than a right wing phenomenon He finds that Jews have reacted to this change in their situation and in attitudes towards them by making a shift to the right in most Western countries with the major exception of the United States Considering the contribution of Jews to socialist thought from Marx onwards and the equally lengthy history of right wing anti semitism this shift is one of the most significant in Jewish history This movement to the right is discussed in separate chapters as is Soviet anti semitism and the status of the State of Israel Examined in depth are the implications of this shift in attitude for Jewish philosophy and self identity The Religion of <u>Israel to the Fall of the Jewish State</u> A. Kuenen, 1883 The Jewish herald and record of Christian effort for the spiritual good of God's ancient people [afterw.] The Jewish missionary herald and record of the British society for the propagation of the gospel among the Jews [afterw.] The Herald International society for the evangelization of the Why Israel (and its Future) Matters John L. Rosove, 2023-11-04 Presented in the form of letters from a rabbi to Iews, 1870 his sons Why Israel and its Future Matters argues that young Jews need Israel as a source of pride connection and Jewish renewal and Israel needs them for the liberal values that they can bring to the Zionist enterprise Exploring the roots and the occasionally antisemitic branches of the campaign against Israel Rabbi Rosove demonstrates why it s wrong to characterize Israel as an oppressor state and damn it with blanket condemnations A 15 page appendix features a timeline mini history of Zionism and Israel from the 19th century through October 2023 A must read Isaac Herzog President of Israel This thoughtful

and passionate book reminds us that commitment to Israel and to social justice are essential components of a healthy Jewish identity Yossi Klein Halevi author Letters to My Palestinian Neighbor In its call for aspirational Zionism the book is honest and tough about Israel s flaws but optimistic about the country's direction and filled with practical strategies for promoting change This is a no nonsense straight talking work intellectually rigorous but deeply personal Rabbi Eric H Yoffie President Emeritus Union for Reform Judaism A moving love letter to Israel from a rabbinic leader who refuses to give into despair but instead recommits to building a democratic Israel that lives up to the vision of its founders Rabbi Jill Jacobs Executive Director T ruah The Rabbinic Call for Human Rights Rabbi Rosove grapples with modern Israel Jewish identity relations between Israelis and Diaspora Jews and perhaps most significantly whether you can maintain your ethical and moral values while at the same time being supporters of the Jewish state despite its flaws and imperfections It is a book that many of us wish we had written for our own children Daniel Kurtzer Former U S Ambassador to Egypt 1997 2001 and to Israel 2001 2005 Politics and Society in Modern Israel Adam Garfinkle, 2015-03-04 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections this work provides an up to date introduction to Israeli politics and society It seeks to convey a strong sense of everyday life in Israel the nuances and contradictions of Israeli identity the ethnic composition and institutional structure of Israeli society as well as Israeli political culture and the issues that dominate the country's domestic and foreign policy The Jewish Expositor and Friend of Israel ,1827 Includes the Proceedings of the London Society for Promoting Christianity Amongst the Jews Who Are the Jews of India? Nathan Katz, 2000-11-18 Of all the Diaspora communities the Jews of India are among the least known and most interesting This readable study full of vivid details of everyday life looks in depth at the religious life of the Jewish community in Cochin the Bene Israel from the remote Konkan coast near Bombay and the Baghdadi Jews who migrated to Indian port cities and flourished under the British Raj Who Are the Jews of India is the first integrated comprehensive work available on all three of India's Jewish communities Using an interdisciplinary approach Nathan Katz brings together methods and insights from religious studies ritual studies anthropology history linguistics and folklore as he discusses the strategies each community developed to maintain its Jewish identity Based on extensive fieldwork throughout India as well as close reading of historical documents this study provides a striking new understanding of the Jewish Diaspora and of Hindu civilization as a whole The Jews Among the Nations Erich Kahler, This is an augmented edition of a superb volume by one of the foremost analysts of European institutions and ideas Here the late Erich Kahler turns his attention to the special character of the Jewish people formed uniquely through the interaction of internal and external circumstances in which past and present merge The chapters in this book deal with persistent problems of Jewish identity Kahler claims these can be fully understood only by awareness of the close interconnection between the singular ethnic nature and the unique social structure of the Jewish people He discusses the Jews in Europe specifically the historical implications of a strict tribal ritual that yet

permitted the widest spiritual scope The second half of the book concerns anti Semitism in relation to Jews and Germans How did the German people seemingly so congenial to the Jews develop a murderous revulsion against them ending a long and fruitful symbiosis Kahler sees this as a parallel to the parricidal rejection of the Jews by the Christian church His argument is deepened in an added chapter new to this volume on the major forms and features of anti Judaism in which the earlier theme of the universal and the specific are seen as central not only to the inner history of Judaism but also to the specific interaction of Jews and Gentiles throughout social history Israel: Is It Good for the Jews? Richard M. Cohen, 2016-07-30 A very personal journey through Jewish history and Cohen s own and a passionate defense of Israel s legitimacy Richard Cohen s book is part reportage part memoir an intimate journey through the history of Europe s Jews culminating in the establishment of Israel A veteran syndicated columnist for The Washington Post Cohen began this journey as a skeptic wondering in a national column whether the creation of a Jewish State was a mistake As he recounts he delved into his own and Jewish history and fell in love with the story of the Jews and Israel a twice promised land in the Bible by God and by the world to the remnants of Europe's Jews This promise he writes was made in atonement not just for the Holocaust but for the callous indifference that preceded World War II and followed it and that still threatens Cohen's account is full of stories from the nineteenth century figures who imagined a Zionist country including Theodore Herzl who thought it might resemble Vienna with its cafes and music to what happened in twentieth century Poland to his own relatives and to stories of his American boyhood Cohen describes his relationship with Israel as a sort of marriage one does not always get along but Chinese Perceptions of the 'Jews' and Judaism Xun Zhou, 2001 This text argues that prejudice against the one is faithful Jews is not only a western phenomenon but also exists in Eastern countries such as China where representations of Jews and Judaism are very complex The Legends of the Jews: From the exodus to the death of Moses Louis Ginzberg, 1911

**Einstein on Israel and Zionism** Fred Jerome, 2009-05-26 Albert Einstein thought and wrote extensively not just on the most difficult problems in physics but also in politics For the first time this book collects his essays interviews and letters on the Middle East Zionism and Arab Jewish relations Many of these have never been published in English and all of them contradict the popular image of Einstein as pro Zionist He was offered and refused the Presidency of Israel but had he taken it he may have said things the Zionists didn t want to hear he favored a non religious state that would welcome Jew and Palestinian alike One person s letters even Einstein s cannot resolve the crisis in the Middle East but decades later when horrors of the conflict in the Middle East are familiar to everyone the reflections of one of the twentieth century s greatest thinkers are a signpost showing his commitment to social justice understanding and friendship between Jew and Arab

The Beta Israel in Ethiopia and Israel Tudor Parfitt, Emanuela Trevisan Semi, 1999 Written by the leading scholars in the field the essays in this collection examine the history music art anthropology and current situations of the Ethopian Jews Jewish Orthodoxy and Its Discontents Marta F. Topel, 2012-07-06 In this book Marta T Topel utilizes anthropological

research to analyze both macro and micro social processes among secular and Orthodox Jews in Israel She covers such complex issues as the tensions between the two groups and the radicalization of Israeli Jewish Orthodoxy in the last thirty years The book also delves into micro social processes such as the long and tortured journey of Israeli religious dissidents and the role of non governmental organizations in helping these dissidents adapt to secular society In addition she discusses the symbolic and ritual paraphernalia that dissidents must become familiar with in order to be successful in their new lives as secular Jews Jewish Orthodoxy and Its Discontents approaches the phenomenon of religious dissidence within the Jewish Israeli Orthodoxy through the lens of the inverse phenomenon religious conversion to Jewish Orthodoxy This outlook is based on theoretical ground as both events constitute a radical change of the ideology of both the social actors and the social structures they have abandoned The American Hebrew ,1925 **Stranger at Home** Jacob Neusner, 2003-09-26 Jacob Neusner the preeminent Judaic scholar who is himself a Jew and a Zionist here explores the issue he believes to be at the very heart of American Judaism how two events remote from the experience of most American Jews have become the twin pillars upon which their world view is built These two events the murder of six million Jews between 1933 and 1945 and the subsequent creation of the State of Israel form what Neusner calls the myth of the Holocaust and redemption Stranger at Home scrutinizes the paradox of a central myth generated out of events never witnessed and a place never inhabited by the majority of American Jewry Written over a period of nearly twenty years these systematically related essays begin with an analysis of the social and psychological problems confronting American Jews The second and third set of studies concern the implications of the two elements that constitute the mythic vision that begins in death the Holocaust and is completed by rebirth Israel Finally the author offers his view of the actual and desirable role of Zionism for the Jewish community outside of Israel Neusner's penetrating exposition sheds light on the search of an American minority culture for identity in the context of freedom and free choice and on the process of adaptation of an archaic religious tradition to modernity Israel and Zion in American Judaism Jacob Neusner, 2020-10-29 First published in 1993 Israel and Zion in American Judaism The Zionist Fulfillment is a collection of 24 essays exploring the concept of who or what is Israel following the establishment of the Jewish State in 1948 and the subsequent crisis of self definition in American Jewry
