Isralestine The Ancient Blueprints Of The Future Middle East Revised:

Isralestine Bill Salus, 2012-12-03 Isralestine is a new neologism which is used in multiple ways in this book to define past present and future geopolitical concepts pertaining to the Middle East conflict between the Arabs and the Israelis Set to explode in the not so distant future is a devastating war in the Middle East The Jews will fight off Arab aggression and end terrorism once and for all ISRALESTI The Ancient Blueprints of the Future Middle East boldly unveils significant Bible prophecy that has eluded the discernment of today's great scholars Once upon a foretold time the Jewish people were to meet with a holocaust type condition out from which they would return back to their ancient homeland of Israel They would begin as refugees but promptly emerge into an exceedingly great army As per Psalm 83 destiny's design for this great army is a head to head confrontation with a formidable Arab confederacy consisting of Palestinians Lebanese Syrians Jordanians Saudi Arabians and Egyptians This Arab coalition has been developing in its fledgling stages since 1948 and will climax and officially confederate in the very near future The Israeli Defense Force will decisively defeat this offensive and prove to be the exceedingly great army of Ezekiel 37:10 They will expand their territory become regionally superior take prisoners of war and exploit the resources of these conquered Arab nations In that condition they will become one of if not the wealthiest nations on earth It is from that position of empowerment that the Jews will dwell securely in the Middle East Subsequently the world stage is set for the Russian Iranian led coalition of nations which will form against Israel as prophesied in the book of Ezekiel chapters 38 and 39 This non fiction thriller is carefully designed to cautiously navigate the reader through the end time's calendar

traces Old and New Testament prophetic events beginning with the patriarch Abram's fathering of two sons who form the roots of religions now at war. Prophecy details how the fulfillment of these events is impacting Israel, the United States, and the world today and will impact the entire world in the near future. Prophecy documents ancient Biblical prophecies fulfilled in God's modern miracle: the nation of Israel. It identifies and describes future wars that Israel will be forced to fight; it documents the construction of the third temple; it examines ancient prophecies of a future tribulation time; it confirms God's commitment to Israel's survival and His destruction of their enemies. Prophecy documents how the prophecies of Old Testament prophets Daniel, Ezekiel, Zechariah, Jeremiah, Joel, Asaph, and Isaiah correlate perfectly with New Testament prophecies of Jesus and His apostles John, Paul, Peter, and Jude to show God's power and total control as this present age comes to an end.

Prophecy and Current Events in the Middle East Chuck Lee, 2018-07-27. As the title implies, Prophecy and Current Events in the Middle East frames Israel's and America's future, tracing Old and New Testament prophetic events beginning with the patriarch Abram's fathering of two sons who form the roots of religions now at war. It details how the fulfillment of these events is impacting the world today and will impact the world in the near future. The book documents ancient prophecies fulfilled through the modern miracle: the nation of Israel, and it delves into yet-to-be-fulfilled prophecies of future wars that Israel will be forced to fight. It documents the construction of the third temple and examines ancient prophecies of a future tribulation time, God's hand in Israel's survival, and His role in the total destruction of their enemies. The book documents how the prophecies of Old Testament prophets such as Daniel, Ezekiel, Zechariah, Jeremiah, Joel, Asaph, and Isaiah correlate perfectly with New Testament prophecies of Jesus and the apostles John, Paul, Peter, and Jude to show God's power and total control as this present age comes to an end.

Whether you understand it or not, events in the Middle East are destined to affect the lives of every person on earth. Bible prophecy gives us the clues to understand what will happen.
