**The War Stole My Soul with Post-Traumatic Stress Disorder (PTSD): What Now?** C. Diane Mosby, 2018-01-25 When Reverend Mosby's son went to war she like so many other mothers prayed for his safe return Her prayers were answered He came home alive and whole Or so she thought The War Stole My Soul with Post Traumatic Stress Disorder PTSD What Now is the result of a mother's mission to restore her son's faith in God and encourage his desire to live In her quest to save her son from his despair Reverend Mosby came to understand the debilitating effects of PTSD on the souls of veterans She found there were no government resources to heal their broken spirits Few church communities had either the knowledge of PTSD and its symptoms or the means to support its victims Reverend Mosby set out to educate those who could help those who suffer She created a training program to raise awareness of PTSD among church leaders Encouraged by the program's success Reverend Mosby began speaking to church groups veterans organizations corporations and at conferences And now through this book she is expanding her reach so that no veterans and their caregivers will ever have to say The War Stole My Soul with Post Traumatic Stress Disorder PTSD What Now

*Postcolonial Images of Spiritual Care* Emmanuel Y. Lartey, Hellena Moon, 2020-09-23 This anthology is about caring for all persons as a part of the revolutionary struggle against colonialism in its many forms In recognition of the varied ways in which different forms of oppression injustice and violence in the world today are traceable to the legacy and continuing effects of colonialism various authors have contributed to the volume from diverse backgrounds including differing ethnic identities religious and cultural traditions gender and sexual orientations as well as communal and personal realities As a postcolonial critique of spiritual care it highlights the plurality of voices and concerns that have been overlooked or obscured because of the politics of race religion sexuality nationalism and other structures of power that have shaped what discursive spiritual care entails today *Postcolonial Images of Spiritual Care* presents voices of practical and pastoral theologians academics spiritual care providers religious leaders students and

activists working to provide greater intercultural spiritual care and awareness in the areas of healthcare community work and education The volume as such expands the discourse of spiritual care and participates in the ongoing paradigm shifts in the field of pastoral and practical theology      *Chaplaincy and the Soul of Health and Social Care* Ewan Kelly, John Swinton, 2019-12-19 Gathering together thoughts and visions of experienced practitioners academics educators and strategic leaders from around the world this edited volume sheds light on the nature of chaplaincy and its role and significance within ever changing contemporary healthcare systems A wide range of issues central to spiritual care delivery are covered including reflections on what it feels like to be cared for by a chaplain through illness the nature of chaplaincy as a profession and how chaplains can engage with healthcare institutions in ways that have integrity yet are also deeply spiritual The focus throughout is that chaplaincy should not only be guidance for people in distress as a form of crisis intervention but is rather about helping to promote wellbeing and enhance people s quality of life Where specialisms tend to fragment systems and individuals this book seeks to show that true health and wellbeing can only be found through a holistic approach and shows how chaplaincy can bring this to the table This book is for anyone who recognises the centrality of spirituality for wellbeing and wishes to see what that might look like in practice      **When Professionals Weep** Renee S. Katz, Therese A. Johnson, 2016-01-22 When Professionals Weep speaks to the humbling and often transformational moments that clinicians experience in their careers as caregivers and healers moments when it is often hard to separate the influence of our own emotional responses and worldviews from the patient s or family s When Professionals Weep addresses these poignant moments when the professional s personal experiences with trauma illness death and loss can subtly often stealthily surface and affect the helping process This edition like the first both validates clinicians experiences and also helps them process and productively address compassion fatigue burnout and secondary traumatic stress New material in the second edition includes increased emphasis on the burgeoning fields of hospice and palliative care organizational countertransference mindfulness and compassionate practice It includes thought provoking cases self assessments and exercises that can be used on an individual dyadic or group basis This volume is an invaluable handbook for practitioners in the fields of medicine mental health social work nursing chaplaincy the allied health sciences psychology and psychiatry
