mathematical life and it shows how many parts of mathematics Paul has touched It is fitting that this volume has been produced with the support and cooperation of Springer Verlag For over 35 years Paul has contributed to mathematics publishing as founder and editor of many outstanding series     *50 Years of Army Computing: From ENIAC to MSRC* ,

Playing It Forward Guylaine Demers,Lorraine Greaves,Sandra Kirby,Marion Lay,2014-09-01 Over the last 50 years the struggles to achieve equity in sport have become central to the feminist mission This book contains an inspiring collection of stories from the women on the front lines athletes coaches educators and activists for women s sport who have done so much to foster change Many of the women profiled here reflect on their tough beginnings in sport being isolated and unconnected competing in makeshift settings training alone and inadequate equipment But they also reflect on the joy of movement teamwork and competition These women grew to be remarkable role models and helped to dismantle sexism in sport To read these stories is to swell with pride over their victories to empathize with their battles with discrimination and to become re energized to confront collectively the many hurdles left to clear     **Alec Issigonis** Jonathan Wood,2005 Alec Issigonis the brilliant British designer of the Morris Minor and the Mini is one of the commanding figures in the history of automobile design and engineering His ingenious and effective designs had a deep lasting influence on the evolution of the motor car and on the wider history of industrial design and he deserves to be ranked with the other giants of the field like Ferdinand Porsche in Germany and Dante Giacosa in Italy But until now Issigonis s career as an engineer and designer and his strong single minded character have never been the subject of a full length biography Jonathan Wood s meticulously researched penetrating study of this flawed genius of automobile design offers a rounded portrait of his life and work and places him squarely in the context of his times Vivid recollections of Issigonis s contemporaries combined with a critical reassessment of his output create a balanced view of a remarkable controversial man The author also offers a behind the scenes impression of the personal and corporate struggles within the declining British car industry a complex process in which Issigonis played a famous role     *Higher Performance Sailing* Frank Bethwaite,2013-08-04 Monumental Bob Ross Australian Sailing High Performance Sailing is now regarded as the bible of racing sailors and carries a string of endorsements from high achievers Since its publication in 1984 racing yachts and dinghies have developed out of all recognition a new high tech breed of apparent wind fast racers has claimed the water and so far no one has applied themselves seriously to analysing what makes these boats sail fast and what will make them faster This is Frank Bethwaite s ground breaking achievement in Higher Performance Sailing By means of extensive research and working with sailors of different racing calibre Bethwaite analyses how to harness the apparent wind for increased speed and better position on your rivals Higher Performance Sailing will provide the key to racing sailors dreams Praise for Bethwaite s High Performance Sailing It represents a breakthrough It is a book that my Olympic squad will benefit from Rod Carr former British Olympic Sailing Team Manager Allowed only one if only in yacht racing it would have been to have read Higher Performance Sailing years ago Bob Fisher journalist broadcaster

and international championship winner      *Between the Sheets* Cheryl L. Bernard,H. Scholz Guy,2011 Olympic silver medalist Bernard teams up with curler and bestseller author Scholz to uncover the keys to success both on and off the ice Drawing on strategies experiences and wisdom from legendary curlers and athletes *Between the Sheets* will help athletes live play and perform at their peak      *American Motorcyclist* ,1993-07 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN      Elusive Togetherness Paul Lichterman,2012-01-06 Many scholars and citizens alike have counted on civic groups to create broad ties that bind society Some hope that faith based civic groups will spread their reach as government retreats Yet few studies ask how if at all civic groups reach out to their wider community Can religious groups long central in civic America create broad empowering social ties in an unequal diverse society Over three years Paul Lichterman studied nine liberal and conservative Protestant based volunteering and advocacy projects in a mid sized American city He listened as these groups tried to create bridges with other community groups social service agencies and low income people just as the 1996 welfare reforms were taking effect Counter to long standing arguments Lichterman discovered that powerful customs of interaction inside the groups often stunted external ties and even shaped religion s impact on the groups Comparing groups he found that successful bridges outward depend on group customs which invite reflective critical discussion about a group s place amid surrounding groups and institutions Combining insights from Alexis de Tocqueville John Dewey and Jane Addams with contemporary sociology Elusive Togetherness addresses enduring questions about civic and religious life that elude the popular social capital concept To create broad civic relationships groups need more than the right religious values political beliefs or resources They must learn new ways of being groups
