Unleashing Growth and Strengthening Resilience in the Caribbean Mr.Krishna Srinivasan,Ms.Inci Otker,Ms.Uma Ramakrishnan,Mr.Trevor Serge Coleridge Alleyne,2017-11-13 This book provides a diagnosis of the central economic and financial challenges facing Caribbean policymakers and offers broad policy recommendations for promoting a sustained and inclusive increase in economic well being The analysis highlights the need

for Caribbean economies to make a concerted effort to break the feedback loops between weak macroeconomic fundamentals notably pertaining to fiscal positions and financial sector strains and structural impediments such as high electricity costs limited financial deepening violent crime and brain drain which have depressed private investment and growth A recurring theme in the book is the need for greater regional coordination in finding solutions to address the Caribbean s shared and intertwined macroeconomic and structural challenges The analysis suggests that strengthening regional and global market integration of Caribbean economies would provide an impetus to sustained growth in incomes and jobs Greater regional and global economic integration would also facilitate structural transformation and a shift toward new economic activities resulting in more diversified and less vulnerable economies A central challenge for the Caribbean is thus to come together as a region overcome the limitations posed by size and garner the benefits of globalization Efforts should build on existing regional arrangements accelerating progress in implementing these agreements would stimulate trade Policymakers could also promote deeper integration with Latin America and the rest of the world by pursuing new trade agreements leveraging current agreements more effectively or deepening them to include areas beyond traditional trade issues and developing port and transport infrastructure

Pioneers in Machinima: The Grassroots of Virtual Production Tracy G. Harwood, Ben Grussi, 2021-09-07 This important new work focuses on the pioneers in machinima considered to be the grassroots and beginnings of virtual production Machinima s impacts are identified by the community supplemented by Harwood and Grussi s research and experience over a period of 25 years from game film and filmmaking to digital arts practice creative technologies developments and related research and theory Machinima is the first digital cultural practice to have emerged from the internet into a mainstream creative genre Its latest transformation is evident through the increasing convergence of games and film where real time virtual production as a professional creative practice is resulting in new forms of machine generated interactive experiences Using the most culturally significant machinima works machine cinema as lenses to trace its history and impacts **Pioneers in Machinima: The Grassroots of Virtual Production** provides in depth testimony by filmmakers and others involved in its emergence The extensive reference to source materials and interviews bring the story of its impacts up to date through the critical reflections of the early pioneers This book will be of interest to machinima researchers and practitioners including game culture media theorists students of film studies and game studies digital artists and those interested in how creative technologies have influenced communities of practice over time

Environment and Sustainability in a Globalizing World Andrea J. Nightingale, 2019-03-27 From the Foundations in Global Studies series this student friendly text follows a two pronged approach to help readers understand the globalizing processes relating to environment and sustainability which are examined in a range of disciplines including environmental studies geography global studies political science international affairs comparative politics and other disciplines First it presents foundational material that gives students the conceptual underpinnings required for rigorous analysis Following the Introduction and

Overview Part One presents a brief historical overview of the concerns revolving around environmental sustainability in the modern era The text then covers key concepts and theoretical constructs that define the global context for sustainable environmental practices such as the key thinkers and theories pertaining to sustainable environmental practice and the key international agencies and treaties involved in global discussions The first part then explores the various models and ways to measure sustainability the range of environmental domains at play in the sustainability dialogue and the controversies surrounding them Part Two employs case studies to examine theory and practice at work in particular situations The case studies have been selected with an eye toward comprehensiveness of coverage across disciplines and across regions

National Myth and the First World War in Modern Popular Music Peter Grant,2016-12-09 This book looks at the role of popular music in constructing the myth of the First World War Since the late 1950s over 1 500 popular songs from more than forty countries have been recorded that draw inspiration from the War National Myth and the First World War in Modern Popular Music takes an inter disciplinary approach that locates popular music within the framework of memory studies and analyses how songwriters are influenced by their country s national myths How does popular music help form memory and remembrance of such an event Why do some songwriters stick rigidly to culturally dominant forms of memory whereas others seek an oppositional or transnational perspective The huge range of musical examples include the great chansonniers Jacques Brel and Georges Brassens folk maestros including Al Stewart and Eric Bogle the socially aware rock of The Kinks and Pink Floyd metal legends Iron Maiden and Bolt Thrower and female iconoclasts Diamanda Gal s and PJ Harvey

Sustainable Housing Finance United States. Congress. House. Committee on Financial Services,2015 From Networks to Netflix Derek Johnson,2018-01-03 Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery the television channel itself persists If anything the television channel landscape has become more complex to navigate as viewers can now choose between broadcast cable streaming and premium services across a host of different platforms and devices From Networks to Netflix provides an authoritative answer to that navigational need helping students instructors and scholars understand these industrial changes through the lens of the channel Through examination of emerging services like Hulu and Amazon Prime Video investigation of YouTube channels and cable outlets like Freeform and Comedy Central and critiques of broadcast giants like ABC and PBS this book offers a concrete tangible means of exploring the foundations of a changing industry **Taiwan's China Dilemma** Syaru Shirley Lin,2023-05-25 Examines the complicated dynamic relations between these two regions and offers a new perspective to understand the root cause of the dilemma China Review China and Taiwan share one of the world s most complex international relationships Although similar cultures and economic interests promoted an explosion of economic ties between them since the late 1980s these ties have not led to an improved political relationship let alone progress toward the unification that both governments once claimed to seek In addition Taiwan s recent Sunflower Movement succeeded in

obstructing deeper economic ties with China Why has Taiwan's policy toward China been so inconsistent Taiwan's China Dilemma explains the divergence between the development of economic and political relations across the Taiwan Strait through the interplay of national identity and economic interests Using primary sources opinion surveys and interviews with Taiwanese opinion leaders Syaru Shirley Lin paints a vivid picture of one of the most unsettled and dangerous relationships in the contemporary world and illustrates the growing backlash against economic liberalization and regional economic integration around the world Lin creatively frames the issue investigating how Taiwan struggles to manage globalization without Sinification Political Science Quarterly

Taiwan and The 'China Impact' Gunter Schubert,2015-12-14 There can be no doubt that China's economic and political rise is having a stronger effect on Taiwan than on any other country given the Chinese government's claim to sovereignty over Taiwan and Taiwan's quest to maintain its democratic achievements and political identity as a sovereign state Against this background this volume deals with the bigger picture of evolving relations across the Taiwan Strait departing from the observation that China's impact on Taiwan has become stronger over the last 20 years This book analyses the China impact on Taiwan in terms of its social political and security space from both an empirical and conceptual point of view It is the first comprehensive account of China's multifaceted impact on the politics and society of contemporary Taiwan written by renowned scholars from Taiwan Europe and the U S The book covers a wide range of topics including Taiwan's party alignment elections generational politics cross strait political economy immigration policy and security The contributors political scientists and sociologists highlight both the dangers and the opportunities of the China impact for Taiwan and draw a realistic picture of the island republic's current situation and future options in the shadow of its giant neighbour Based on qualitative and quantitative data this volume intends to fill a gap in the Taiwan studies field by studying the China impact on Taiwan's politics and society systematically and from a comparative perspective By doing so it will be of great interest to students and scholars of Taiwan studies and East Asian politics and society more generally

The Impact of Diaspora Ventures on the Dynamics of the Start-up Ecosystem Berlin Thomas Baron,2016-10-27 This book brings together the research fields of start up ecosystems and diaspora entrepreneurship The author interprets the results of semi structured interviews with four diaspora entrepreneurs and four experts in Berlin as well as observations from field studies and the analysis of secondary sources The findings prove impacts of diaspora ventures on the dynamics of the Berlin start up ecosystem and are applied to a modified version of the ANDE toolkit Identified domains of the start up ecosystem Berlin are demonstrated Berlin is among the top locations of start up activities world wide and currently the most dynamic ecosystem globally

The Budget and Economic Outlook ,2011 *Budget and Economic Outlook for 1976-77* ,1976

Online Film Production in China Using Blockchain and Smart Contracts Patrice Poujol,2019-03-04 This book explores the use of Blockchain and smart contract technologies to develop new ways to finance independent films and digital media worldwide Using case studies of Alibaba and in depth on set observation of a Sino US coproduction as well as

research collected from urban China Hong Kong Europe and the USA Online Film Production in China Using Blockchain and Smart Contracts explores new digital platforms and what this means for the international production of creative works This research assesses the change in media consciousness from young urban audiences their emergence as a potential participative and creative community within dis intermediated decentralised and distributed crowdfunding and crowdsourcing models This research proposes solutions on how these young emerging local creative talents can be identified and nurtured early on particularly those who now produce creative and artistic audiovisual content whether these works are related to film Virtual Reality VR video game graphic novels or music Ultimately a new media content finance and production platform implementing blockchain is proposed to bring transparency in the film sector and open doors to emerging artists in digital media Appropriate for both professionals and academics in the film industry as well as computer science **Green**

Chemical Analysis and Sample Preparations Mahmoud H. El-Maghrabey, V. Sivasankar, Rania N. El-Shaheny, 2022-06-20 This volume focuses on the most recent trends for greening analytical activities beginning with an introduction to green analytical chemistry followed by a discussion of green analytical chemistry metrics and life cycle assessment approach to analytical method development The chapters discuss two main topics first is the most recent techniques for greening sample pretreatment steps and second is modern trends for tailoring analytical techniques and instrumentation to implement the green analytical chemistry concept The role of different kinds of green solvents such as ionic liquids supercritical fluids deep eutectic solvents bio based solvents and surfactants as well as nanomaterials and green sorption materials in greening sample extraction steps is also a focus of this book Furthermore different approaches for greening chromatography as a key analytical technique are discussed The applications of nanomaterials in analytical procedures are deeply reviewed and miniaturization of spectrometers is also discussed as a recently evolved approach for efficient green on site analysis This book will appeal to a wide readership of academic and industrial researchers in different fields It can be used in the classroom for undergraduate and postgraduate students focusing on the development of new analytical procedures for organic and inorganic compounds determination in different kinds of samples characterized by complex matrices composition The book will also be useful for researchers that are interested in both chemical analysis and environment protection

This is likewise one of the factors by obtaining the soft documents of this **Its A Mac 2014** by online. You might not require more era to spend to go to the books introduction as well as search for them. In some cases, you likewise reach not discover the broadcast Its A Mac 2014 that you are looking for. It will enormously squander the time.

However below, next you visit this web page, it will be as a result completely simple to get as well as download lead Its A Mac 2014

It will not give a positive response many time as we tell before. You can do it even if exploit something else at house and even in your workplace. consequently easy! So, are you question? Just exercise just what we present under as well as evaluation **Its A Mac 2014** what you subsequently to read!
