Robinson and his son Torrey examine issues such as exegeting a text for a first person approach structuring a narrative sermon determining how to portray biblical characters and staging and delivering the sermon itself With this book seminary and Bible college students have the opportunity to build foundations for engaging story filled preaching ministries The end result will be more preachers who love to tell the story and more church members who are hungry to hear it *Stop Preaching and Start Communicating* Tony Gentilucci, 2009-02-02 *Stop Preaching and Start Communicating* examines the medium of television as a powerful method of communication to consider what we can learn from it as communicators of the most important message the world needs to hear Tony discusses knowing your target audience how to begin and end your message effectively communicating without notes the need for one memorable big idea and how to communicate to transform rather than simply inform Proclaiming the Whole Counsel of God Steve D.
