Its Only Original Once Unrestored Classic Cars:

It's Only Original Once Richard A. Lentiniello, 2008 A chronicle of time capsule collector cars those still wearing their original parts paint upholstery and trim that like the cars themselves offers a trip through time *Only Originals* Brian Earnest, 2009-12-11 Forever Young Some cars seem to have all the luck There aren't many vehicles that are so well kept babied and in some cases ignored altogether that they never seem to get old and tired In the old car hobby these cars are called Survivors They usually have very low mileage loving owners and a lot of good fortune and today they are more coveted than ever In *Only Originals* collector car fans can examine a fascinating cross section of Survivor cars and learn how they have managed to defy the odds From Duesenbergs to Corvettes *Only Originals* slates the unrestored time capsule cars that remind us of yesterday *Consumed Nostalgia* Gary Cross, 2015-09-08 Nostalgia isn't what it used to be For many of us modern memory is shaped less by a longing for the social customs and practices of the past or for family heirlooms handed down over generations and more by childhood encounters with ephemeral commercial goods and fleeting media moments in our age of fast capitalism This phenomenon has given rise to communities of nostalgia whose members remain loyal to the toys television and music of their youth They return to the theme parks and pastimes of their upbringing hoping to reclaim that feeling of childhood wonder or teenage freedom *Consumed nostalgia* took definite shape in the 1970s spurred by an increase in the turnover of consumer goods the commercialization of childhood and the skillful marketing of nostalgia Gary Cross immerses readers in this fascinating and often delightful history unpacking the cultural dynamics that turn pop tunes into oldies and childhood toys into valuable commodities He compares the limited appeal of heritage sites such as Colonial Williamsburg to the perpetually attractive power of a Disney theme park and reveals how consumed nostalgia shapes how we cope with accelerating change Today nostalgia can be owned collected and easily accessed making it less elusive and often more fun than in the past but its commercialization has sometimes limited memory and complicated the positive goals of recollection By unmasking the fascinating idiosyncratic character of modern nostalgia Cross helps us better understand the rituals of recall in an age of fast capitalism Cadillac V-16s Lost and Found Christopher W.
