habits the often mysterious selection of numbers at the kitchen table the carefully kept account ledgers and especially the daily drives into the townships where he conducted business on street corners from the seat of his car Sometimes Ufrieda accompanied him on these township visits offering her an illuminating perspective into a stratified society Poignantly it was on such a visit that her father who is very much a central figure in Ho s memoir met with a tragic end In many ways life for the Chinese in South Africa was self contained Working hard minding the rules and avoiding confrontations they were able to follow traditional Chinese ways But for Ufrieda who was born in South Africa influences from the surrounding culture crept into her life as did a political awakening Paper Sons and Daughters is a wonderfully told family history that will resonate with anyone having an interest in the experiences of Chinese immigrants or perhaps any immigrants the world over **New York**,2000 An Invincible Summer Matthew Turk,2021-02-23 In 2022 the possibility of a full time position as an analyst at one of Chicago s most renowned investment banks draws the starry eyed ambitions of an unnamed protagonist better within reach Straight out of college with only loans to her name she comes to an excruciating realization however lurking just underneath the surface she s a small town girl from a fishing town in Maine lost in the claptrap hustle and bustle of urban life In an attempt to find a new home this character throws herself into a romantic relationship that quickly results in coercion into nonconsensual sex In the amorphous predicament she cannot discern the assailant s intentions but rationalizes the decision of sticking with him as he begins to gain international acclaim as a movie producer Lured again by financial stability and prestige she dares to want something else but is it too late By the end of this story An Invincible Summer illustrates the complications of a rapidly growing industrialized capitalist country in the 21st century as the narrator struggles to reconcile the potential hard hours of a dead end job versus trying to maintain romance Amid struggles with excessive drinking and familial alienation this character s widespread relatability reveals the conditions of the modern individual as well as the depths and how one balances the light and the dark now and for the future **Children's Books in Print, 2007** ,2006
