Itsy Mitsy Runs Away:

Itsy Mitsy Runs Away Elanna Allen, 2011-05-03 Itsy Mitsy has had quite enough of bedtime So tonight she's running away to the perfect place where there are no more bedtimes ever not even one But running away isn t as easy as it seems There s a lot to pack Mitsy's friendliest dinosaur Mister Roar a snack for Mister Roar Mitsy's dog Pupcake to keep the bedtime beasties away from said snack The list goes on and on But with a helpful dad who makes sure Mitsy doesn t leave anything behind especially not him Mitsy might want to run away tomorrow night too A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children spicture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles Violet Mackerel's Brilliant Plot Anna Branford, 2012-08-28 Introducing Violet Mackerel a charismatic new chapter book star with a zest for life and an endearing relatable voice akin to Ramona Quimby and Junie B Jones Violet is a seven year old with a knack for appreciating the smallest things in life her Theory of Finding Small Things states that the moment of finding a tiny treasure usually coincides with the moment of having a genius idea This creative little girl always strives to think outside the box so when she spots a small china bird that she desperately wants she forms an imaginative plan for getting it and her methods are anything but ordinary Violet Mackerel's Brilliant Plot is the first book in an irresistibly charming series starring Violet and her family that has pitch perfect perspective and plenty of laugh out loud humor The Brain Power Story Hour Nancy J. Polette, 2014-01-10 While many texts explore ways to plan and implement story times in both school and public libraries until now no work has brought together extensive book talks and follow up activities specifically designed to develop thinking skills in young children This innovative study offers age appropriate book suggestions with related questions and activities tailored to a variety of thinking skills including verbal or linguistic thinking divergent and creative thinking analytical and mathematical thinking visual or spatial thinking and many others The program presented in this volume was successfully developed and implemented in the preschool kindergarten laboratory school of Lindenwood University in St Charles Missouri with 90 percent of the

participating children selected for gifted programs in both public and private schools Ideal for children's librarians school librarians teachers of early childhood gifted programs parents and homeschoolers this study provides the tools for making any story hour a brain power story hour Violet Mackerel's Natural Habitat Anna Branford, 2013-05-21 As the youngest in her family seven year old Violet identifies with small creatures in the natural world but when she tries to help special ladybug she learns an important lesson about animal habitats Thirteen Stones Nancy Warren, 2019-10-16 When Graham Michelsen pulled up stakes that spring and moved his wife Emily and daughter Lois to a brand new model satellite community called Centrewood he believed that its unique town plan based on his ideal form the Circle would ensure a life of security and stability But having barely settled in he is hit by a barrage of events which clash and collide stark reality takes on an overlay of farce at times and he struggles to manage his own equilibrium when everything seems to be going on tilt Even his own daughter betrays him Centrewood's concentric circles are failing to protect him and have begun spinning out of control Partway through the two months of September and October 1957 that span this story Lois is not mature enough to understand what is happening to her father Graham She is not yet fourteen years old She doesn t know that as Chief Aeronautical Engineer for the Avro Arrow he had worked so hard leading up to the October 4 Rollout that he was already suffering from burnout On that very day he was beset by three major setbacks after which even more hit him broadside Lois finds herself adding to his aggravation by suddenly flexing her wings asserting her right to speak out and stand her ground She also has her own challenges She is absorbed by practicing flute with her new friend Becky preparing to play the Doppler Flute Duet at the Fall recital The other schoolmate Mitsy the thorn in Lois s side from Day One continues to disrupt Lois with her crazy antics which ultimately lead to disaster By the time Lois reaches her fourteenth birthday on November 1 everything has fallen apart **Lucy Runs Away** Catherine Storr,1970 Seeking adventures ten year old Lucy decides to run away
