Tolkien's Utopianism and the Classics** Hamish Williams,2023-02-09

This book opens up new perspectives on the English fantasy writer J R R Tolkien arguing that he was an influential thinker of utopianism in 20th century fiction and that his scrutiny of utopias can be assessed through his dialogue with antiquity Tolkien s engagement with the ancient world often reflects an interest in retrotopianism his fictional places cities forests homes draw on a rich post classical narrative imagination of similar spaces Importantly for Tolkien such narratives entail eutopian thought experiments the decline and fall of distinctly classical communities provide an utopian blueprint for future political restorations the home as oikos becomes a space where an ideal ethical reciprocity between host and guest can be sought the ancient forest is an ambiguous unsettling site where characters can experience necessary forms of awakening From these perspectives tokens of Platonic moderation Augustan restoration Homeric xenophilia and the Ovidian material sublime are evident in Tolkien s writing Likewise his retrotopianism also always entails a rewriting of ancient narratives in post classical and modern terms This study then explores how Tolkien s use of the classical past can help us to align classical and utopian studies and thus to reflect on the ranges and limits of utopianism in classical literature and thought   **The**

### **Recovering Consolation**

Greg Maillet, 2024-09-19 Although Tolkien's letters call Samwise Gamgee the chief hero of The Lord of the Rings Sam is easily underestimated by both readers and critics Recovering Consolation focuses attention on Sam's point of view throughout the long journey that is the novel This book responds to Frodo's famous words at the Stairs of Cirith Ungol imagining a child speaking to a parent I want to hear more about Sam dad why didn't they put in more of his talk dad That's what I like it makes me laugh And Frodo wouldn't have got far without Sam would he dad Listening to Sam not only makes us laugh but also shows him to be like Tolkien himself a master of mythopoeis as the novel's narrator puts it Sam had more on his mind than gardening Yet the concrete act of gardening another passion that Sam shares with Tolkien should help us to understand how consolation is recovered as is well explained in Tolkien's great essay On Fairy Stories Both there and in The Lord of the Rings Tolkien offers a theological aesthetic that has much to teach us Although we may not realize it while laughing along with Sam this humble servant hobbit is key to this aesthetic
