The Routledge Companion to the Cultural Industries Kate Oakley, Justin O'Connor, 2015-05-22 The *Routledge Companion to the Cultural Industries* is collection of contemporary scholarship on the cultural industries and seeks to re assert the importance of cultural production and consumption against the purely economic imperatives of the creative industries. Across 43 chapters drawn from a wide range of geographic and disciplinary perspectives this comprehensive volume offers a critical and empirically informed examination of the contemporary cultural industries. A range of cultural industries are explored from videogames to art galleries all the time focussing on the culture that is being produced and its wider symbolic and socio cultural meaning. Individual chapters consider their industrial structure the policy that governs them their geography the labour that produces them and the meaning they offer to consumers and participants. The collection also explores the historical dimension of cultural industry debates providing context for new readers as well as critical orientation for those more familiar with the subject. Questions of industry structure labour place international development consumption and regulation are all explored in terms of their historical trajectory and potential future direction. By assessing the current challenges facing the cultural industries this collection of contemporary scholarship provides students and researchers with an essential guide to key ideas issues concepts and debates in the field.

Arts, Entrepreneurship, and Innovation Joanna Woronkiewicz, 2022-10-17 This book is the third publication out of the Arts Entrepreneurship and Innovation AEI Lab that focuses exclusively on research that empirically investigates crossovers between arts entrepreneurship and innovation. This volume does so specifically by using the lens of cultural economics. The chapters in this volume have been chosen not only because they have clear implications for policy and practice but also because they contribute to theories of value creation in the cultural and creative industries. As a whole this book addresses relationships between arts entrepreneurship and

innovation for workers firms and industry to bring clarity to how value is created in the arts Previously published in Journal of Cultural Economics Volume 45 issue 4 December 2021 Chapters Direct Memberships in Foreign Copyright Collecting Societies as an Entrepreneurial Opportunity for Music Publishers Needs Challenges Opportunities and Solutions and Do Museums Foster Innovation Through Engagement with the Cultural and Creative Industries are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)
