[How to Raise a Millionaire](#) Александр Воронцов, A millionaire is not just a bank account balance. It is a way of thinking, living, choosing, and feeling. This book is not just about money; it is about how to cultivate a mindset in your child or yourself that can create wealth, preserve it, and use it for good. **How to Raise a Millionaire** is a profound journey into the psychology, habits, worldview, and energy of people who know how to turn opportunities into results. The author weaves together parenting practices, modern brain development research, emotional intelligence, and light elements of esotericism to answer a central question: How do you raise a person who is not only wealthy but also whole, free, and truly happy? Inside, you'll discover how the millionaire mindset forms from early childhood, why parental beliefs are stronger than any motivation, how to create a resource-rich environment for growth, the role of imagination, visualization, and inner vision of the future, why health, energy, and freedom of thought are the foundation of wealth, how to nurture independence, responsibility, and strategic thinking, and most importantly, how to pass on not just money but the inner code of prosperity. This book is for parents, educators, mentors, and above all, for anyone ready to see parenting as a sacred art of shaping the future.
