Head First Java Head First Java:

Head First Java Kathy Sierra,Bert Bates,2005 Learning a complex new language is no easy task especially when it s an object oriented computer programming language like Java Your brain doesn t always want to take in the dry technical stuff you re forced to study Your brain craves novelty *Head First Java* combines puzzles strong visuals mysteries and soul searching interviews with famous Java objects to engage you in many different ways Despite its playful appearance *Head First Java* is serious a complete introduction to object oriented programming and Java Its unique approach not only shows you what you need to know about Java syntax it teaches you to think like a Java programmer You ll learn everything from the fundamentals to advanced topics including threads network sockets and distributed programming with RMI The second edition focuses on Java 5 0 a major update to the platform with deep code level changes From publisher description *Head First Java* Kathy Sierra,Bert Bates,Trisha Gee,2022-05-12 What will you learn from this book *Head First Java* is a complete learning experience in Java and object oriented programming With this book you ll learn the Java language with a unique method that goes beyond how to manuals and helps you become a great programmer Through puzzles mysteries and soul searching interviews with famous Java objects you ll quickly get up to speed on Java s fundamentals and advanced topics including lambdas streams generics threading networking and the dreaded desktop GUI If you have experience with another programming language *Head First Java* will engage your brain with more modern approaches to coding the sleeker faster and easier to read write and maintain Java of today What s so special about this book If you ve read a *Head First* book you know what to expect a visually rich format designed for the way your brain works If you haven t you re in for a treat With *Head First Java* you ll learn Java through a multisensory experience that engages your mind rather than by means of a text heavy approach that puts you to sleep **Head First Java** Kathy Sierra,Bert Bates,2003 *Head First Java* engages readers on many levels bringing the latest learning theories and research together to create not just a book to read but a multi sensory learning experience *Head First Servlets and JSP* Bryan Basham,Kathy Sierra,Bert Bates,2004-08-23 Looking to study up for the new J2EE 1 5 Sun Certified Web Component Developer SCWCD exam This book will get you way up to speed on the technology you ll know it so well in fact that you can pass the brand new J2EE 1 5 exam If that s what you want to do that is Maybe you don t care about the exam but need to use servlets and JSPs in your next project You re working on a deadline You re over the legal limit for caffeine You can t waste your time with a book that makes sense only AFTER you re an expert or worse one that puts you to sleep Learn how to write servlets and JSPs what makes a web container tick and what ticks it off how to use JSP s Expression Language EL for short and how to write deployment descriptors for your web applications Master the c out tag and get a handle on exactly what s changed since the older J2EE 1 4 exam You don t just pass the new J2EE 1 5 SCWCD exam you ll understand this stuff and put it to work immediately *Head First Servlets and JSP* doesn t just give you a bunch of facts to memorize it drives knowledge straight into your brain You ll interact with servlets and JSPs in

ways that help you learn quickly and deeply And when you re through with the book you can take a brand new mock exam created specifically to simulate the real test taking experience **Head First EJB** Kathy Sierra,Bert Bates,2003-10-28 What do Ford Financial IBM and Victoria s Secret have in common Enterprise JavaBeans EJB As the industry standard for platform independent reusable business components EJB has just become Sun Microsystem s latest developer certification Whether you want to be certifiable or just want to learn the technology inside and out Head First EJB will get you there in the least painful way And with the greatest understanding You ll learn not just what the technology is but more importantly why it is and what it is and isn t good for You ll learn tricks and tips for EJB development along with tricks and tips for passing this latest very challenging Sun Certified Business Component Developer SCBCD exam You ll learn how to think like a server You ll learn how to think like a bean And because this is a Head First book you ll learn how to think about thinking Co author Kathy Sierra was one of Sun s first employees to teach brave early adopter customers how to use EJB She has the scars But besides dragging you deep into EJB technology Kathy and Bert will see you through your certification exam if you decide to go for it And nobody knows the certification like they do they re co developers of Sun s actual exam As the second book in the Head First series Head First EJB follows up the number one best selling Java book in the US Head First Java Find out why reviewers are calling it a revolution in learning tough technical topics and why Sun Chairman and CEO Scott McNealy says Java technology is everywhere if you develop software and haven t learned Java it s definitely time to dive in Head First And with Head First book you don t even have to feel guilty about having fun while you re learning it s all part of the learning theory If the latest research in cognitive science education and neurobiology suggested that boring dry and excruciatingly painful was the best way to learn we d have done it Thankfully it s been shown that your brain has a sense of style a sense of humour and a darn good sense of what it likes and dislikes In Head First EJB you ll learn all about Component based and role based development The architecture of EJB distributed programming with RMI Developing and Deploying an EJB application The Client View of a Session and Entity bean The Session Bean Lifecycle and Component Contract The Entity bean Lifecycle and Component Contract Container managed Persistence CMP Container managed Relationships CMR EJB QL Transactions Security EJB Exceptions The Deployment Descriptor The Enterprise Bean Environment in JNDI Programming Restrictions and Portability The book includes over 200 mock exam questions that match the tone style difficulty and topics on the real SCBCD exam See why Kathy and Bert are responsible for thousands of successful exam passers The Sun certification exam was certainly no walk in the park but Kathy s material allowed me to not only pass the exam but Ace it Mary Whetsel Sr Technology Specialist Application Strategy and Integration The St Paul Companies Kathy Sierra and Bert Bates are two of the few people in the world who can make complicated things seem damn simple and as if that isn t enough they can make boring things seem interesting Paul Wheaton The Trail Boss javaranch com Who better to write a Java study guide than Kathy Sierra reigning queen of Java instruction Kathy Sierra has done it again Here is a study guide that almost guarantees you a

certification James Cubetta Systems Engineer SGI *Head First Object-Oriented Analysis and Design* Brett McLaughlin, Gary Pollice, David West, 2007 Provides information on analyzing designing and writing object oriented software

Head First JavaScript Michael Morrison, 2007-12-20 Provides information on scripting Web applications with JavaScript

Head First Design Patterns Eric Freeman, Elisabeth Robson, Bert Bates, Kathy Sierra, 2004-10-25 What s so special about design patterns At any given moment someone struggles with the same software design problems you have And chances are someone else has already solved your problem This edition of *Head First Design Patterns* now updated for Java 8 shows you the tried and true road tested patterns used by developers to create functional elegant reusable and flexible software By the time you finish this book you ll be able to take advantage of the best design practices and experiences of those who have fought the beast of software design and triumphed What s so special about this book We think your time is too valuable to spend struggling with new concepts Using the latest research in cognitive science and learning theory to craft a multi sensory learning experience *Head First Design Patterns* uses a visually rich format designed for the way your brain works not a text heavy approach that puts you to sleep **Java Enterprise in a Nutshell** Jim Farley, William Crawford, 2006 With the recent release of Java 2 Enterprise Edition 1 4 developers are being called on to add even greater more complex levels of interconnectivity to their applications To do this Java developers need a clear understanding of how to apply the new APIs and the capabilities and pitfalls in the program which they can discover in this edition **Head First C#** Andrew Stellman, Jennifer Greene, 2010-05-18 This book covers C NET 4 0 and Visual Studio 2010 and teaches everything from inheritance to serialization book cover **Head First Java, 2nd Edition** Bert Bates, 2005 Learning a complex new language is no easy task especially when it s an object oriented computer programming language like Java You might think the problem is your brain It seems to have a mind of its own a mind that doesn t always want to take in the dry technical stuff you re forced to study The fact is your brain craves novelty It s constantly searching scanning waiting for something unusual to happen After all that s the way it was built to help you stay alive It takes all the routine ordinary dull stuff and filters it to the background so it won t interfere with your brain s real work recording things that matter How does your brain know what matters It s like the creators of the *Head First* approach say suppose you re out for a hike and a tiger jumps in front of you what happens in your brain Neurons fire Emotions crank up Chemicals surge That s how your brain knows And that s how your brain will learn Java *Head First Java* combines puzzles strong visuals mysteries and soul searching interviews with famous Java objects to engage you in many different ways It s fast it s fun and it s effective And despite its playful appearance *Head First Java* is serious stuff a complete introduction to object oriented programming and Java You ll learn everything from the fundamentals to advanced topics including threads network sockets and distributed programming with RMI And the new second edition focuses on Java 5 0 the latest version of the Java language and development platform Because Java 5 0 is a major update to the platform with deep code level changes even more careful study and implementation is required So

learning the Head First way is more important than ever If you've read a Head First book you know what to expect a visually rich format designed for the way your brain works If you haven't you're in for a treat You'll see why people say it's unlike any other Java book you've ever read By exploiting how your brain works Head First Java compresses the time it takes to learn and retain complex information Its unique approach not only shows you what you need to know about Java syntax it teaches you to think like a Java programmer If you want to be bored buy some other book But if you want to understand Java this book's for you
