**'THE REAL SCRIPTURES' OF GOD - OLD TESTAMENT** James Platter,2012-11-21 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973

James Slobodzien,2014-05-01 Have you ever wondered about the Mysteries of God's wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge Luke 11:52 This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible Less Could the 7 Pillars or dimensions of Wisdom Pro 9:1 possibly be related to the Key to Knowledge Hidden Bible Taboos began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7's For example there are 7 types of Matter and 7 forms of Energy in the universe When we consider Time the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times Space our earthly physical space is divided up into 7 Continents 7 Oceans and 7 Seas After studying the multiple patterns of 7s in

the universe's numerical DNA I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity the number 7 stands for spiritual perfection and divine completeness For example the Bible's book of Isaiah mentions the 7 Spirits of God the Father Isaiah 11:2 The Apostle John mentions the 7 Stars of God the Son Rev 1:20 and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit Rom 12:6-8 In addition Zechariah mentions the 7 Eyes of the Lord which range throughout the earth Zech 4:10 This incredible phenomenon of multiples of 7 cannot be explained by chance or human design It is in these 7 Pillars of God's Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible The 7 Dimension articles were written as independent brief essays over a period of 7 years After receiving comments from many readers over the years sometimes secretly a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition They are TABOO This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex drugs violence and racism The majority of the Taboos in this book however are not related to ancient mysterious pagan practices The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses Dedication This book is dedicated to Peter Waldo Founder of the Waldensians and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity Papacy in the middle ages and later Spiritual Religious Reading Material Warning The contents of this article anthology may shock and inspire you into developing your spiritual life Don't let yourself or your friends go without reading this life changing book

*Peloubet's Select Notes on the International Bible Lessons for Christian Living*, 1874      *A Cyclopaedia of Biblical Literature*. Edited by J. K. Illustrated by Numerous Engravings John Kitto, 1845      **The NKJV, Open Bible** Thomas Nelson, 2019-04-23 The Bible is a collection of 66 books written by many writers over a vast time period and yet it's the unified Word of God The Open Bible offers clean and easy navigation through the connectivity of Scripture with a time tested complete reference system trusted by millions Plus The Open Bible gives you even more access into the pages of the Word with book introductions and outlines to provide context

and themes from beginning to end Features include Easy to navigate topical index displaying the connections between 8 000 plus names places concepts events and doctrines Interactive book introductions and outlines provide historical context themes and verse relationships within Scripture References include both verse and page number so anyone can find the Scriptures they need Visual Survey of the Bible illustrating an easy to follow diagram of Scripture The exclusive Thomas Nelson NKJV Comfort Print 9 point print size      Sources and Interpretations Lawrence H. Schiffman, 2025-06-16 This volume brings together over forty of Schiffman's Studies on Ancient Judaism that have helped to shape this emerging field Throughout these studies display a wide ranging perspective bringing together all kinds of sources written or archaeological to illuminate ancient Judaism and its complex history Topics explored include the history of the Jews and Judaism in Late Antiquity the Bible in Jewish tradition ancient Jewish thought law and liturgy magic and mysticism relation of the Dead Sea Scrolls to Rabbinic Literature Judean Desert texts and Judaism and Christianity The volume concludes with studies of the work of several modern rabbis and academic scholars      **Forbidden Theology** Miles Augustus Navarr, 2012 Over 75% of the people who live on this planet are followers of one of the three major monotheistic religions They all consider Abraham as the father of their race and religion They all believe in one singular all powerful all knowing benevolent god The Hebrew call him Yahweh the Christians refer to him as Father or Lord and Muslims call him Allah and yet millions and millions of people have been murdered maimed and tortured by the followers of this single entity to prove that their version of this single god is better than the other two versions Sounds ridiculous and yet sadly enough more people have died in the name of religion than any other cause in the history of humanity Each and every one of us at one time or another has asked or thought about such fundamental questions as Is there a God Where did humans come from Why out of millions of species on earth only humans reached this level of sophistication Is there a life after death Is there a purpose to life Why are we here Are the scriptures truly the words of god More importantly is there any way we could find answers to such questions The fact is the answer to most of these questions and many more that we thought unanswerable have been written down on clay tablets by our ancient ancestors who lived in Mesopotamia over 7000 years ago These records are readily available to those who are willing to step outside the dogmatic belief system of the establishment and are prepared mentally and spiritually to tolerate a totally different rendering of the oldest written historical records about mankind's origin purpose and the truth about god our maker The subject matter of this book is an attempt to investigate the circumstances under which Mankind was made and to trace the beginning and development of such concerns as the emergence of the concept of god and the formation of what later became known as religion This is done primarily by relying on our scriptural texts particularly the Old Testament as well as other ancient manuscripts such as Sumerian Akkadian and Babylonian Creation and Genesis epics The first chapter begins by examining the behaviour commands and instructions given by Yahweh to his chosen people These commands and instructions are then evaluated and compared with basic accepted human rights standards practised and observed by almost

all communities and societies past and present The question is then asked How could an entity powerful enough to have created the entire universe issue such cruel and sadistic commands against some of his own creations Furthermore Yahweh s behaviour is decidedly pro Hebrew and shows no regards or thought about non Hebrew masses How could the universal god show such bias towards a tiny fraction of his creatures with total disregard for the rest Finally the characteristics and personalities of Yahweh is analysed by scrutinising his behaviour actions and directives as stated in the Old Testament before examining the god of Christianity In investigating the role and characteristics of God in Christianity the first thing that immediately becomes apparent is the absence of a prominent role for God the Father as we had witnessed in Judaism The Christians or more specifically Saint Paul who was the founder and designer of Christianity as we know it today in order to distance his creation from the Hebrews and religion of Yahweh invented a new Godhead and named him Jesus Christ Ancient Greek I sous Born of a virgin with powers to heal the sick give sight to the blind and even raise the dead who was crucified but resurrected three days later These were all characteristics borrowed from various religions and cults prevalent at the time in the Levant from Mithraism to the cult of Apoll

*Is It Not Written in the the Book of Jasher?* Tov Rose,2012-02-27

The Book of Jasher Quoted in the Old Testament Held in high regard by Mormons The Book Of Jasher or Sefer Ha Yashar is referred to in the books of Joshua and Second Samuel of the Holy Bible Behold it is written in the Book of Jasher II Samuel i 18Is not this written in the Book of Jasher Joshua x 13 Jasher Yashar is a Hebrew word meaning upright Jasher is not the name of the author or any prophet or judge of Israel as scholars had previously thought The name refers to the fact that the record facts and history are upright correct and thus trustworthy The value of The Book of Jasher is seen in the large quantity of additional detail revealed in the period between divine creation and the time of Joshua s leadership over Israel when the Israelites enter into the land of Canaan The Book of Jasher includes details about the antediluvian patriarchs angels watchers the flood the tower of Babel and many other events mentioned in the Bible The tales are expanded and infused with detail not previously available This means we receive insight into the lives of Abraham Noah Enoch Joseph and many other biblical figures We come to understand how they became great and why they acted as they did We are also given hitherto unknown knowledge of historical events We are shown how God s hand shaped history through his love and anger We see how his disappointment with men and angels ended in earth s near total destruction This book is part of a collection that I put together while teaching and researching for a study of End Times Prophecy and Events from an Old Testament perspective

Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is

in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language      The KJV, Open Bible Thomas Nelson,2019-08-06 The Bible is a collection of 66 books written by many writers over a vast time period and yet it s the unified Word of God The Open Bible offers clean and easy navigation through Scripture s interconnected themes and teachings with a time tested complete reference system trusted by millions Plus The Open Bible gives you even more access into the pages of the Word with book introductions and outlines to provide context and themes from beginning to end Features include Easy to navigate topical index with 50 000 entries displaying the connections between 8 000 names places concepts events and doctrines Interactive book introductions and outlines provide historical context themes and verse relationships within Scripture Chain reference doctrinal notes reveal the interconnected big picture of the entire Bible Thomas Nelson s complete cross reference system with over 72 000 cross references located in the center column A newly designed Visual Survey of the Bible provides an easy to follow overview of Scripture s components and genres The exclusive Thomas Nelson KJV Comfort Print at a readable 9 point print size

Crushing Conceptualism in Modern Christianity Andrew Michael Denny,2019-09-18 A heavy spirit of conceptualism has infiltrated the modern Christian establishments Our traditions philosophies theologies etc Everything our beliefs are built upon has been influenced by an elite world class system Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called church More to this thing we call Christianity If so this book is what you have been waiting for A truth movement has emerged A remnant of modern Ark Builders endeavors to awaken those who are still asleep Every day we see evidence of what the Bible describes as spiritual wickedness in high places Ephesians 6 12 Those who secretly govern our world have an agenda to unite and target professing Christians The motive is world dominance and the method is mind control to brainwash the mass into conforming to what is socially acceptable and politically correct But we are not ignorant of the enemy s strategies This book equips its readers with information exposing this deception as it bridges the gap between conspiracy theory and demonic activity You are about to open the door to a world you never knew existed a reality of which you never knew you were a part Prepare yourself Once you see you will never be able to unsee this realm again
