Harris, 2023-09-25 On what basis are Gentile Christians justified and full inheriting members of Abraham's family By being circumcised and keeping the Torah Paul answers by reinterpreting the Abraham narrative in light of the Christ event as a story of two siblings True Abrahamic children are those whose Spirit wrought life arises as God promised Abraham from the event of Christ faith Like Isaac they receive the life giving power of the Spirit that is tethered to God's promise and the event of eschatological faith By contrast those who like Ishmael are related to Abraham only by means of the flesh are slaves and not heirs      An Introduction to Child Theology James M. Houston, 2022-02-17 These essays in this book are pastoral and scholarly to encourage parents to nurture and foster Christian family life by learning from scripture and history The Bible in both testaments offers us stories that provide moral and spiritual substance to the nurture of the child and the family Beginning with the mythopoetic story of Adam and Eve and the fratricide of Abel by the envy of Cain the stories of the sacrifices parents made then moving on to the stories of Abraham and Isaac Ruth and her mother in law Hannah and her son Samuel Jeremiah the child prophet these stories form our moral imaginations Further for Christians they all augur the promise of the Incarnation with the birth of Jesus to Mary and Joseph Then through the history of the Church the role of the Child is further unfolded It begins with Jesus teaching that to be as one of his disciples is to be a child This is so radical that the subsequent churches have found it hard to follow Perhaps one symbolic attempt was that of the monks' cowl which is a child's garment and still worn in their monasteries The book even explores the way that Christian maturity is one of childlikeness      Galatians Frank J.
