Isaiah's Poetic Prophecies The Book Of Isaiah Rendered Into English Poetry:

Isaiah's Poetic Prophecies A. Ricks, 2013-05-01 Isaiah is well known for his dramatic and beautiful prophecies especially those concerning the coming of Jesus Christ into mortality His mortal mission and His Second Advent His writings often contain many layers of meaning and interpretation so that even the most erudite student may find trouble in understanding Isaiah's messages and portents Moreover while Isaiah's words are often artistically beautiful and set to semantic parallelism i.e. the repetition or balance of concepts they do not usually resound with or catch the attention of English readers who are more familiar with grammatical parallelism i.e. rhyming and structure Thus this project seeks to bring Isaiah's Hebraic semantic parallelism into conformity with English grammatical parallelism in a nearly verse by verse rendering Some creative liberties may have been taken either to fill the poetry's meter or to fit within it However for the most part the meaning of the text has been well preserved Any student of Isaiah especially the latter day saint may find this work both enjoyable and instructive

The book of Isaiah depicts for its readers what happens when Isaiah volunteers to become Yahweh's gofer when he acts and speaks on Yahweh's behalf with Yahweh's authority In this careful and insightful commentary on Isaiah Goldingay unfolds the voices and messages of those prophetic actions and experiences While doing this he points out that three attributes of Yahweh come into distinctive focus in Isaiah Yahweh's majesty and authority Yahweh's passion in anger and compassion and Yahweh's insight and capacity to formulate a plan and put it into effect Goldingay also examines the way Isaiah thinks about
