Politically Incorrect Guide to Islam (And the Crusades) Robert Spencer, 2005-08-01 The courageous Robert Spencer busts myths and tells truths about jihadists that no one else will tell MICHELLE MALKIN While many choose to simply blame the West for provoking terrorists Robert Spencer's new book *The Politically Incorrect Guide to Islam and the Crusades* reveals why it is time to ignore political correctness and identify the enemy if we hope to ever defeat them In a fast-paced politically incorrect tour of Islamic teachings and Crusades history Spencer reveals the roots of Islamic violence and hatred Spencer refutes the myths popularized by left-wing academics and Islamic apologists who justify their political agendas with contrived historical facts Exposing myth after myth *The Politically Incorrect Guide to Islam and the Crusades* tackles Islam's institutionalized mistreatment of non-Muslims the stifling effect Islam has on science and free inquiry the ghastly lure of Islam's X-rated Paradise for suicide bombers and jihad terrorists the brutal Islamic conquests of the Christian lands of the Middle East and North Africa and more In *The Politically Incorrect Guide to Islam and the Crusades* you will learn How Muhammad did not teach peace and tolerance instead he led armies and ordered the assassination of his enemies Why American Muslim groups and left-wing academics are engaged in a huge cover-up of Islamic doctrine and history How today's jihad terrorists following the Qur'an's command to make war on Jews and Christians have the same motives and goals as the Muslims who fought the Crusaders Why the Crusades were not acts of unprovoked aggression by Europe against the Islamic world but a delayed response to centuries of Muslim aggression What must be done today from reading the Qur'an to reclassifying Muslim organizations in order to defeat jihad terrorists

A Christian's Pocket Guide to Islam Patrick Sookhdeo, 2001 Have you ever watched a T V programme or read a newspaper article where a commentator clumsily illustrates his complete ignorance of Christianity and its claims How often have you rolled your eyes and immediately discounted what is being said saying to yourself Well why should I listen to them when they obviously haven't got a clue How then can we expect to witness effectively to those of the Muslim faith if all that we know of Islam is picked up from passing references in the media This fascinating book provides Christians with a simple description of the origins of Islam what Muslims believe and how it affects their attitudes worldview everyday life and culture Practical guidelines are given for relating to Muslims in a culturally appropriate way as well as for witnessing effectively and caring for converts If you long to reach Muslim friends but are wondering where to start then this is the book for you Book jacket

Roger Allen, Shawkat M. Toorawa, 2011-03-03 In this straightforward and authoritative collection of fifteen essays each by a different specialized expert in the field readers will encounter all the major elements of Islam including its history its beliefs its practices and its interactions notably with Christianity Judaism and the modern world *Islam A Short Guide to the Faith* will inform and enlighten all who wish to better understand this increasingly influential world religion Contributors Roger Allen Ruba Kana an Ahmet T Karamustafa Bruce B Lawrence Paul L ffler Joseph E Lowry Scott C Lucas Jon McGinnis Tahera Qutbuddin Abdulaziz Sachedina Jane I Smith Mark N Swanson Shawkat M Toorawa Mark S Wagner Homayra Ziad Aron Zysow *Charity in Jewish, Christian, and Islamic Traditions* Julia R. Lieberman, Michal Jan Rozbicki, 2017-07-25 This collection of essays by a team of international scholars addresses the topic of Charity through the lenses of the three Abrahamic religions Judaism Christianity and Islam The contributors look for common paradigms in the ways the three faiths address the needs of the poor and the needy in their respective societies and reflect on the interrelatedness of such practices among the three religions They ask how the three traditions deal with the distribution of wealth in the recognition that not all members of a given society have equal access to it and in the relationship of charity to the inheritance systems and family structures They reveal systemic patterns that are similar norms virtue theological validations exclusionary rules private responsibility to society issues that have implications for intercultural and interfaith understanding Conversely the essays inquire how the three faiths differ in their understanding of poverty wealth and justifications for charity *The Brotherhood in Islam, Message to the Jews, Christians and Muslims* Ahmed Shendy Yousef, 2011 **Understanding Islam** Jerald Dirks, 2003 In *Understanding Islam* Dr Dirks offers a timely and factually correct alternative to understanding Islam It is written for the Western and primarily Christian reader The primary focus of the Book is on what is termed Sunni Islam i e the Islam practiced by approximately 85-90% of the self-professed Muslims in the world The Book is unique in several respects It treats Islam from its own point of view It is written by a natural born American for the Western reader and thus may avoid

some of the cultural overlay that accompanies some books on Islam written by other Muslim authors The author is an American who has practiced Islam both while living in America and in the Middle East thus offering a broader perspective than would have otherwise been possible As a convert from Christianity to Islam and as a former ordained minister within Christianity the author does a very good job of expounding the commonalities and contrasts of Islam with Judaism and Christianity while still avoiding the temptation to distort Islam by interpreting it from within a Judaeo Christian perspective The reader is introduced to Islam almost exclusively through the two primary sources of Islam i e the Qur'an and the Sunnah which are the only completely authoritative sources on Islam

Jews, Christians, and the Abode of Islam Jacob Lassner, 2020-03-04 One of the greatest authorities on medieval Islam sheds immensely stimulating new light on cross cultural relations in the Middle Ages Times Literary Supplement UK In *Jews Christians and the Abode of Islam* historian Jacob Lassner examines the relationship between the three Abrahamic faiths that defined their political and cultural interaction during the Middle Ages and continues to define them today Examining the debates taking place in modern Western scholarship on Islam Lassner sheds new light on the social and political status of medieval Jews and Christians in various Islamic lands from the seventh to the thirteenth century Using a vast array of primary sources Lassner balances the rhetoric of literary and legal texts from the Middle Ages with other newly discovered medieval sources that describe life as it was actually lived among the three faith communities Lassner demonstrates what medieval Muslims meant when they spoke of tolerance and how that abstract concept played out at different times and places in the Christian and Jewish communities under Islamic rule Finally he considers how this new understanding of medieval Islamic civilization might affect the highly contentious global environment of today

The Children of Abraham F. E. Peters, 2018-05-22 F E Peters a scholar without peer in the comparative study of Judaism Christianity and Islam revisits his pioneering work Peters has rethought and thoroughly rewritten his classic *The Children of Abraham* for a new generation of readers at a time when the understanding of these three religious traditions has taken on a new and critical urgency He began writing about all three faiths in the 1970s long before it was fashionable to treat Islam in the context of Judaism and Christianity or to align all three for a family portrait In this updated edition he lays out the similarities and differences of the three religious siblings with great clarity and succinctness and with that same remarkable objectivity that is the hallmark of all the author's work Peters traces the three faiths from the sixth century B C when the Jews returned to Palestine from exile in Babylonia to the time in the Middle Ages when they approached their present form He points out that all three faith groups whom the Muslims themselves refer to as People of the Book share much common ground Most notably each embraces the practice of worshipping a God who intervenes in history on behalf of His people The book's text is direct and accessible with thorough and nuanced discussions of each of the three religions Footnotes provide the reader with expert guidance into the highly complex issues that lie between every line of this stunning edition of *The Children of Abraham* Complete with a new preface by the author this

Princeton Classics edition presents this landmark study to a new generation of readers *The Monotheists: Jews, Christians, and Muslims in Conflict and Competition, Volume II* F. E. Jews and Christians Together Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect

Understanding the Koran Mateen Ellass, 2009-08-19 Find out how the Koran resembles the Bible and the drastic ways in which it differs Understanding the Koran gives you an essential grasp of Islam's holy book where it came from what it teaches how Muslims view it and how the Allah of the Koran compares with the God of the Bible Cherished as the final perfect revelation of God's will by 1.2 billion Muslims worldwide the Koran has become a part of American life What do you know about the holy book that shapes the lives and views of your neighbors and a fifth of the world's population Written by a pastor who was born to a Muslim father and raised in Saudi Arabia Understanding the Koran gives you a fascinating easy to understand overview that will show you Why the background behind the Koran is important to understanding it How the Koran came into existence A summary of the main teachings of the Koran including what it says about Jesus and the crucifixion Similarities and differences between Muslim and Christian views of God What the Koran teaches about Jihad and holy war What the Koran teaches about heaven and hell and the final destinies of the human soul Giving you an essential grasp of Islam's holy book Understanding the Koran points you to the one thing that can draw your Muslim friends to Jesus his love demonstrated to them through you Discussion questions make it possible to use this book in group studies

A Jewish Guide in the Holy Land Jackie Feldman, 2016-04-11 For many Evangelical Christians a trip to the Holy Land is an integral part of practicing their faith Arriving in groups most of these pilgrims are guided by Jewish Israeli tour guides For more than three decades Jackie Feldman born into an Orthodox Jewish family in New York now an Israeli citizen scholar and licensed guide has been leading tours interpreting Biblical landscapes and fielding questions about religion and current politics In this book he draws on pilgrimage and tourism studies his own experiences and interviews with other guides Palestinian drivers and travel agents and Christian pastors to examine the complex interactions through which guides and tourists co produce the Bible Land He uncovers the implicit politics of travel brochures and religious souvenirs Feldman asks what it means when Jewish Israeli

guides get caught up in their own performances or participate in Christian rituals and reflects on how his interactions with Christian tourists have changed his understanding of himself and his views of religion

A Guide to Religious Thought and Practices Santanu K. Patro, 2015-07-01 A Guide to Religious Thought and Practices devotes a chapter to each of the world religions all but one of which are written by a member of that faith community Readers thus gain insiders views into the theology spirituality and religious practice of each faith The introduction encourages respect and engagement with those of other faiths The book emphasizes the cultural nature of religion and its importance to society and it notes the rise of interest in the study of religious traditions in the face of contemporary geopolitics

ISRAEL-PALESTINE CONFLICT

Islam's Pursuit of Religious Supremacy Religious Conflict Disguised as Territorial Dispute Mkoma Yi, 2025-05-31 The Israel Palestine conflict is often misunderstood as merely a territorial dispute with many ignoring its intricate layers While some avoid discussing the evident namely a religious feud there are those who bravely confront the reality which is the essence of this work This book acts as a beacon illuminating the genuine motivations fueling the conflict and it does so with unflinching honesty Readers who are open to exploring the evidence no matter where it may lead will discover great insights into one of the fiercest religious disputes in the world Delving deeply into Jewish and Islamic religious texts this book reveals the root causes of this long standing conflict the assertions to divine favor Both parties are acutely aware of this root cause yet beyond these two faiths the superficial portrayal of a territorial dispute is often cited as the conflict's primary cause The evidence has been meticulously presented and with a genuine conviction that the truth is self evident nonetheless the ultimate judgment rests with the reader
