Abell,2019-01-11 Broken Choices the second installment of The Beadle Files begins in the midst of bad omens on the high desert of New Mexico then weaves its hard edged suspense to the final page For several members of the ensemble cast both physical and supernatural threats lurk in the shadows as a dark man masquerading as a crazy eyed scarecrow invades their consciousness Storylines take the reader to Rooster s Barnyard on the southern outskirts of Denver where murder precipitates a change in management to the musty basement of a building where cans of gasoline and peculiar bundles are strategically placed by a man in black to an unemployed nurse who is guilt ridden and tormented by menacing nightmares and to a seasoned policeman upchucking the contents of his stomach at a crime scene Boss Hawkins who has thoroughly exasperated Mandy Kilmer is the catalyst for trauma that strikes close to home Criminal powerbrokers initiate a scheme to neutralize or quite possibly terminate the Pinkerton man s crusade against them Lifelong allies come alongside Hawkins which puts into motion preparations that culminate in dramatic violence In the aftermath LC Beadle utters thoughts that tie the soul testing adversity into a thorny Gordian knot Killing someone is a broken choice but these circumstances were precarious at best There was no other way for the quandary to be resolved **Choices**

Yvonne Koenders,2011-07-13 I have always been fascinated by stories from artists musicians and actors Exotic people from faraway places captured my mind Their struggles triumphs and courage I would recall when life was hard Only years later would I realize I had my own inspiring story to tell I never dreamed that one day America would be my home My earlier years were not easy I was homesick and made foolish choices Life s twists and turns brought me back to Holland where memories

came flooding back The clouds in my head could only be chased away by reliving the past I had to find the courage to write in a foreign language and expose secrets that still haunted me Secrets that changed me and were the real reasons I had to leave the country I love I had to describe how I fled to unknown places without money friends or even a plan But no longer did I think of myself as helpless I could make my own choices Maybe I was tossed in the sea of life but it was up to me to swim and to confront my fears I found my safe harbor and to my surprise my husband who is there for me no matter what I no longer let circumstances dictate my life Instead of despair I now wake up in the morning glad for another day with my husband our dog and our home The girl no one loved is gone the mother who left her does not matter anymore nor does the life she once lived Looking back I realize that mistakes made were lessons learned I do not count wealth by money but by love and friends I have found that I am very rich indeed It is my hope that my story will inspire and give hope and courage to others Every life truly matters **The Literature of America: From the civil war to the present** Arthur Hobson
