Vassanji, 2009-02-24 Giller Prize winner M G Vassanji s The In Between World of Vikram Lall is a haunting novel of corruption and regret that brings to life the complexity and turbulence of Kenyan society in the last five decades Rich in sensuous detail and historical insight this is a powerful story of passionate betrayals and political violence racial tension and the strictures of tradition told in elegant assured prose The novel begins in 1953 with eight year old Vikram Lall a witness to the celebrations around the coronation of Queen Elizabeth II just as the Mau Mau guerilla war for independence from Britain begins to gain strength In a land torn apart by idealism doubt political upheaval and terrible acts of violence Vic and his sister Deepa must find their place among a new generation Neither colonists nor African neither white nor black the Indian brother and sister find themselves somewhere in between in their band of playmates Bill and Annie British children and Njoroge an African boy These are the relationships that will shape the rest of their lives We follow Vikram through the changes in East African society the immense promise of the fifties and sixties But when that hope is betrayed by the corruption and violence of the following decades Vic is drawn into the Kenyatta government s orbit of graft and power broking Njoroge his childhood friend can abandon neither the idealism of his youth nor his love for Vic s sister Deepa But neither the idealism of the one nor the passive cynicism of the other can avert the tragedies that await them The In Between World of Vikram Lall is a profound and careful examination of one man s search for his place in the world with themes that have run through Vassanji s work the nature of community in a volatile society the relations between colony and colonizer and the inescapable presence of the past It is also finally a deeply personal book speaking to the people who are in the in between **The Immortals** J.T.

Ellison, 2015-07-20 WHAT LIES BEHIND grabs you by the throat and doesn t let go Ellison is a great talent enjoy Catherine

Coulter 1 New York Times bestselling author Revisit book five in J T Ellison s heart racing fan favorite Taylor Jackson series It is Samhain the Blood Harvest Nonbelievers call it Hallowe en The night when eight Nashville teenagers are found dead with occult symbols carved into their naked bodies It s a ritual the killers believe was blessed by Death himself When children are victimized emotions always run high and this case has the public both outraged and terrified a dangerous combination Recently reinstated homicide lieutenant Taylor Jackson knows she has to act quickly but tread carefully Exploring the baffling culture of mysticism and witchcraft Taylor is immersed in a darkness that threatens to unbalance the order of her world and learns how unchecked wrath can push a killer to his limits Previously Published More Praise Shocking suspense compelling characters and fascinating forensic details Lisa Gardner 1 New York Times bestselling author A terrific thriller fans of forensic mysteries such as those by Patricia Cornwell should immediately add this series to their A lists Booklist *Engendered Death* Joseph W. Laythe,2011-12-16 *Engendered Death* Pennsylvania Women Who Kill is an historical and interdisciplinary study of women who kill in Pennsylvania from the 18th century to the present It is not an examination of what motivates women to kill although the reader may deduce that from the case studies included Instead it is an examination of how society perceives women who kill and how the gender lens is applied to them throughout the legal process in the media and in the courtroom What makes this work particularly unique is its combination of both scholarly analysis and narrative case studies As such it will appeal to both the scholar and the reader of true crime non fiction If we are to recognize the complex variables at play in all criminal offenses we will need to understand that the laws of a community its social values its politics economics and even geography play a factor in what laws are enforced and against whom they are enforced The decision to define and label certain behaviors and certain people was based on social political and economic considerations of each community Thus the commission of murder by a woman in Arizona may have a variety of factors associated with it that are not present in the case of a woman who murdered her husband in Maine This study in part because of the volume of cases and in part to limit the variables affecting the cases has limited its scope of women killers to the state of Pennsylvania Pennsylvania is the ideal state to study because of its long and stable legal and political traditions its historically diverse population and the large number of newspapers that will help us gauge the public s view of women and women who kill By limiting our scope to one state we know that the legal definitions are fairly consistent for all of the women during a certain period and we can more easily identify the shifts in social values regarding women and homicide

The Dark Secrets of the Witch: The Book of Shadows Raven,2017-10-05 Learn that it is safe to embrace the sacred dark for there is much wisdom there As a matter of fact much is taken from my own personal Book of Shadows where I reveal the inner mysteries of rites beliefs and also the practices of the Old Religion This book The Book of Shadows will challenge your own perceptions as you explore the Eleusinian Mysteries and begin to understand the role of the journey to the underworld You will gain a new sense of the rich heritage that was passed on from the Old Ways in Southern Italy Also in this Book are

comparatives of different religions and how at the core they all connect together as one Some examples of the exploration of this include the resurrection of Jesus and the return of Persephone to the land of the living Shedding new light on how both are an allegory of the journey of the soul The Old Ways have their roots in the Indus Valley it is delved into where by speculating that they then eventually traveled to other lands Witchcraft Myths in American Culture Marion Gibson,2012-08-21 A fascinating examination of how Americans think about and write about witches from the real witches tried and sometimes executed in early New England to modern re imaginings of witches as pagan priestesses comic strip heroines and feminist icons The first half of the book is a thorough re reading of the original documents describing witchcraft prosecutions from 1640 1700 and a re thinking of these sources as far less coherent and trustworthy than most historians have considered them to be The second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in American society writing and visual culture The discussion includes references to everything from Increase Mather and Edgar Allan Poe to Joss Whedon the writer director of Buffy the Vampire Slayer which includes a Wiccan character and The Blair Witch Project **The Dark Secrets of the Witch:The Book of Shadows** Leena Klammer,2017-09-06 Learn that it is safe to embrace the sacred dark for there is much wisdom there As a matter of fact much is taken from my own personal Book of Shadows where I reveal the inner mysteries of rites beliefs and also the practices of the Old Religion This book The Book of Shadows will challenge your own perceptions as you explore the Eleusinian Mysteries and begin to understand the role of the journey to the underworld You will gain a new sense of the rich heritage that was passed on from the Old Ways in Southern Italy Also in this Book are comparatives of different religions and how at the core they all connect together as one Some examples of the exploration of this include the resurrection of Jesus and the return of Persephone to the land of the living Shedding new light on how both are an allegory of the journey of the soul The Old Ways have their roots in the Indus Valley it is delved into where by speculating that they then eventually traveled to other lands **The Witch's Familiar** Raven Grimassi,2003 You can use Familiars as guardians during dream or astral work or to protect your home and property This work shows how to obtain a familiar and work with one and it also provides cautions and remedies for any problems that may occur in this magical partnership Contemporary Pagan and Native Faith Movements in Europe Kathryn Rountree,2015-06-01 Pagan and Native Faith movements have sprung up across Europe in recent decades yet little has been published about them compared with their British and American counterparts Though all such movements valorize human relationships with nature and embrace polytheistic cosmologies practitioners beliefs practices goals and agendas are diverse Often side by side are groups trying to reconstruct ancient religions motivated by ethnonationalism especially in post Soviet societies and others attracted by imported traditions such as Wicca Druidry Goddess Spirituality and Core Shamanism Drawing on ethnographic cases contributors explore the interplay of neo nationalistic and neo colonialist impulses in contemporary Paganism showing how these impulses play out intersect collide

and transform A Century of James Frazer's The Golden Bough Stephanie Lynn Budin, Caroline J. Tully, 2024-11-21 This multidisciplinary volume examines the ongoing effects of James G Frazer's *The Golden Bough* in modern Humanities and its wide ranging influence across studies of ancient religions literature historiography and reception studies The book begins by exploring the life and times of Frazer himself and the writing of *The Golden Bough* in its cultural milieu It then goes on to cover a wide range of topics including ancient Near Eastern religion and culture Minoan religion and in particular the origins of notions of Minoan matriarchy Frazer's influence on the study of Graeco Roman religion and magic Frazer's influence on modern Pagan religions and the effects of Frazer's works in modern culture and scholarship generally Chapters examine how modern academia and beyond continues to be influenced by the otherwise discredited theories in *The Golden Bough* ideas such as Sacred Marriage and the incessant Fertility of Everything The book demonstrates how scholarship within the Humanities as well as practitioners of alternative religions and the common public remain under the thrall of Frazer over one hundred years since the publication of the abridged edition of *The Golden Bough* and what we must do to shake off that influence *A Century of James Frazer's The Golden Bough* is of interest to scholars and students from a wide range of disciplines including Ancient History History of Religion Comparative Religion Classical Studies Archaeology Historiography Anthropology Folklore and Reception Studies Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license **The Cauldron of Memory**
