New Beginnings Brendan Terrick,2018-03-22 By all appearances DeBrand O Donnell is living a fulfilling life He has an average job the swanky clothes the perfect shoes the accepting friends and a witty comeback for every occasion He thinks his life is without fault but in truth his obsession with perfecting every trivial detail is merely a ruse to hide the fact his life is lacking a pulse DeBrand begins to wake up to that fact when his girlfriend unexpectedly ends their relationship after a troublesome morning Just as he s coming to terms with that he s abducted by an alien And not just any alien either It s a wisecracking eight foot tall bipedal praying mantis like creature named Bruno and he s not about to cut DeBrand any slack Unlike most alien abductors Bruno doesn t want to probe DeBrand or study him in any way He merely wants DeBrand to become his new emissary to Earth for a good period of time DeBrand wants no part of it and the more time he spends with Bruno and the current Terran emissary Liza the more he is presented with the fact that perhaps his pre abduction life wasn t so perfect after all Maybe this is exactly what he needs to become a better informed and more well rounded individual or maybe it s all part of an elaborate plot by Bruno to colonize Earth and make Brand his footman

**Slather** Patricia A. Kuess,2008-10 Have you ever wondered what your dental hygienist is thinking about as she cleans your teeth Here s a clue it s not your teeth Patricia is a dental hygienist an inveterate daydreamer and a lesbian In the midst of cleaning people s teeth she fluctuates flawlessly between her inner and outer worlds And it is during one of these routine cleanings that a story pops into her head There s Frederick a guy who has failed his driving test ninety nine times and a woman on the run named Tulsa Then there s RaeEllen and Daryl John brilliant skaters who have always been in Patricia s mind but never given her a story As the days go by Patricia continues to explore her characters by asking her patients questions about their own lives and soon she is merrily immersed in her fictional world When she takes the plunge to write a screenplay Patricia s creative process explodes and she begins to experience the joy

frustration and satisfaction of writing Critique partners and a screenwriting conference in Hollywood follow and Patricia begins to realize that maybe just maybe her daydreams will appear on the silver screen someday if she just believes Filled with fun and quirky characters Slather is the engaging account of daydreams in action and of the magic inside us all when we choose to believe the impossible DeBrand's Invite Brendan Terrick,2024-07-05 Trying to make amends for an outburst blasted at a bus driver the Friday before sets off a day of unfortunate occurrences With Debrand unaware of an impending invite from an alien with hopes of enrolling Debrand as an emissary was the furthest idea from his mind So Debrand settles to bear witness to a week aboard an orbiting spaceship and partake in an alien wedding **An Apple a Day** Emma Woolf,2013-05-14 A woman suffering from anorexia struggles to understand the cause of her eating disorder and more importantly becomes determined to stop starving and start living I haven't tasted chocolate for over ten years and now I'm walking down the street unwrapping a Kit Kat Remember when Kate Moss said Nothing tastes as good as skinny feels She's wrong chocolate does At the age of thirty three after ten years of hiding from the truth Emma Woolf finally decided it was time to face the biggest challenge of her life Addicted to hunger exercise and control she was juggling a full blown eating disorder with a successful career functioning on an apple a day Having met the man of her dreams and wanting a future and a baby together she decided it was time to stop starving and start living Honest hard hitting and spoken from the heart An Apple a Day is a manifesto for the modern generation to stop starving and start living *Bly* Kelsey Ketch,2021-09-22 I left the United States to find inner peace Instead I find myself confronting a malicious ghost Astyr Salt is a spiritual and emotional empath who moved to England with the intent to forget about a traumatic supernatural event that occurred during her freshman year of college However when she takes a spiritual cleansing assignment in a haunted country home in Essex she is isolated with all her own pent up emotions These emotions energize the ghosts inhabiting the country home helping them draw their own tragedies to the surface Searching for the truth Astyr is forced to relive the past And the deeper she dives into the country home's horrific history the more the intertwined memories place her in the path of an evil and demented predator A blend of contemporary fantasy horror and mystery Bly is inspired by Henry James's classic novella The Turn of the Screw Complete Freedom George Neal,2025-03-21 This book isn't for everyone If you've got it all together you may not need it For everyone else I hope something in these pages brings insight and peace **Drunken Space Pirates!** Phoenix Freebird A.,2009-06-30 Running from a mutinous crew sucked through a wormhole like in a bad sci fi movie and slowly running out of booze and that's just the beginning of this non traditional story that starts off as a simple captain's log book and evolves into something more like a really warped and twisted TV show in text Follow the Captain and crew on a series of seemingly random adventures where it's obvious it's not just the Captain who's been drinking At some point you may ask yourself is all this just coincidence or is there something dark and annoying on the horizon The Captain seems to have a drinking problem the problem being he never has enough to drink and people from his past keep showing up

and ruining his buzz Akki a corrupted artificial intelligence who occasionally takes over the Captain's log has his own plans mostly self-serving ones because he has nothing better to do The rest of the crew pirates hot chicks robots and a foul-beaked little space penguin round out the Drunken Space Pirates and with all the wise cracks and shots aimed at everyone and everything it's clear the alcohol flows rather freely within the D S P Many of the off-the-wall characters of the D S P are walking guilty pleasures who say what they feel do what they want and just generally give it to life pop culture and the universe in general with both barrels and occasionally fish
