*Goodbye Mom* George Staursky, 2004-11 This book is not a biography about a man but rather it is about a Journey This is a Journey through life with this illness Bipolar Disorder and all the dynamics that go along with it This book shows how a man faced the consequences of this disease and all its pain bigotry and anguish but this journey also shows how he defeated the disease This is a book of his Journey through trauma tragedy and recovery This book is a riveting account of that journey It includes others who have suffered the indignities of this illness It brings to life an account of a story that could be written by many different people over time Destroying a life to save the same life could be construed by many as an oxymoron However in this case it fits the scenario perfectly As in the story of Dr Jekyll and Mr Hyde there had to be destruction of one s inner self to save everyone from the inner demons plaguing Dr Jekyll *South of Charleston the Journey* Charles

McPherson, 2009-07-14 *South of Charleston The Journey* examined some of the residual effects which continue to define how black Americans are looked at and how they try to integrate their views of society the way they live life in a world which has rejected them at times because of their skin color This is a look at one man s journey and how his story is a small part of the bigger picture that is seldom written about or heard of The story is about common lives that are not so common to those who live it The hope is that my story will open the minds of its readers and bring them closer to some of the daily reality of people of color *Surviving Retribution* Victoria Brown, 2024-02-14 OUR PAST DEFINES US THE FUTURE PROVIDES HOPE BUT

THE PRESENT IS WHAT WE MUST LIVE Elly Sander s life is a mess Her marriage is in tatters her family is split she s worried that someone is out for a wrongful revenge and her career built up over thirty three years becomes threatened With hope determination and a shaky plan to right the wrongs of her past Elly embarks on the most enlightning journey of her life In this final chapter can she find her happily ever after Can her loved ones do the same This is a warm uplifting story which tests love s strength and boundaries *MOM, HE COMMUNES WITH GOD* DeAnna S. McClure, 2022-02-16 You are a mom with a special needs child but maybe you are not feeling special qualified nor fearless Mom there is something stretching inside of you bigger than your womb It is purpose Beyond the external affairs of life doctor visits blood draws tests etc this must be birthed from the inside out You may be at a store scrolling online or at a seminar wondering Is this all motherhood and the Christ life has for me You may even be just plain tired Well let me be your comrade in your journey to maintain sustain and thrive in a Christ centered life with a special needs child This book is filled with lessons I learned along the way most through losses and failures but we will get to that later wisdom straight from God s Word and actionable worksheets and tips to empower you to live out the proven life of Jesus Now there are tons of books about your child s diagnosis but this is not one of those books This book is for you the special daughter God had in mind in this path of motherhood Be empowered
