Jones, 1999 Noting that even casual readers recognize family relationships as the basis for Kerouac's autobiographical prose Jones discusses these relationships in terms of Freud's notion of the Oedipus complex BOOK JACKET Rethinking Kerouac Erik Mortenson, Tomasz Sawczuk, 2024-12-12 This long overdue reevaluation of Jack Kerouac gives fresh perspectives on his unique literary output his vexed relation to issues of race class and gender as well as his continuing cultural afterlife This collection of essays by esteemed Beat commentators reassesses one of the 20th century s most emblematic but often misunderstood American writers Despite amassing a substantial body of influential work and becoming a recognizable icon globally Kerouac has often suffered critical neglect and this volume seeks to offer a range of fresh perspectives on his unique artistic output as well as his continuing cultural afterlife Through an examination of classic texts like On the Road to more obscure ones like Pic these essays recalibrate our understanding of the writer by placing his creative output into dialogue with current cultural issues to provide a rethinking of how concerns such as race gender relations artificial intelligence populist rhetoric and queerness inform his work and its contemporary reception These essays also examine how the peculiarities of global circulation and social media influence the ongoing cultural appropriation of Kerouac in popular music literature and online Through these varied approaches Rethinking Kerouac Afterlives Continuities Reappraisals provides an indispensable account of the continued relevance of both Kerouac the writer and Kerouac the cultural icon in the 21st century Lonesome Traveler Jack Kerouac, 1960 Jack Kerouac Alison Behnke, 2006-12-28 Biography of author Jack Kerouac well known writer and leader of the Beat Generation of the 1950s The Role of Jack Kerouac's Identity in the Development of his Poetics Stefano Maffina, 2012-06-01 This work revolves round the analysis of Jack Kerouac's complex identity and his main artistic inspirations Even though the writer was born in Lowell MA he was raised in a Franco American family with strong bonds with the Quebec region The resultant split identity led to deep existential doubts that Kerouac was never able to overcome However the awareness of his cultural dichotomy proved extremely important for his own work Indeed the Beat author was able to reach an original poetics which was inspired by both American and French writers Despite Kerouac's innovative style and writing method an analysis of the

artists who influenced his work could help contextualize and better understand his literary and linguistic genius
