Jack the Ripper? Philip Jones,2023-01-06 Readers are transported to Victorian London and introduced to Inspector Doyle a modern day detective with eternal life who discovers that he has been wrongly named as Jack the Ripper the Victorian serial killer Nobody wants that label at any time in history so with the aid of time travel he returns to the year 1888 in an attempt to clear his name Another complication for Inspector Doyle is that his modern day daughter Flora who he has left behind to travel back several centuries is becoming increasingly suspicious of her father s identity This is after making her way into his Shrewsbury study that she is forbidden to enter The only good thing about returning to 1888 is that Inspector Doyle is able to rekindle his relationship with daughter Alice and wife Eleanor who he had to leave behind all those centuries ago Alice can then only but marvel at her father s abilities to answer a question that only he knows the answer to because he has travelled into the future and back The story references many Victorian objects that have been meticulously researched and then used to tell a story that is only possible through time travel and a rather clever inventor who may or may not be still alive Many elements of the original Jack the Ripper case are also detailed as are the horrors of Whitechapel Find out whether Inspector Doyle manages to clear his name by discovering who the real Jack the Ripper is and expect a twist at the end that involves both daughters and a Victorian book that unlike the rest of Inspector Doyle s objects is unable to exist in parallel between the two time zones

London's Curse Mark Beynon,2011-10-31 Throughout the 1920s and 1930s London was gripped by the supposed curse of Tutankhamun whose tomb in the Luxor sands was uncovered in February 1923 by the British archaeologist Howard Carter The site was plundered and over the next few years more than twenty of those involved in the exhumation or in handling the contents of the tomb perished in strange and often terrifying circumstances prompting the myth of the Curse of Tutankhamun Nowhere particularly London s West End appeared to be safe for those who had provoked the ire of the Egyptian death gods A blend of meticulous research and educated conjecture historian and screenwriter Mark Beynon turns armchair detective as he uncovers a wealth of hitherto unpublished material that lays bare the truth behind these fatalities Could London s Curse be attributed to the work of a macabre mastermind It soon becomes apparent that these deaths were not only linked by the ominous presence of Tutankhamun himself but also by a murderer hell bent on retribution and dubbed by the press as The Wickedest Man in the World **Jack the Ripper's New Testament** Nigel Graddon,2019-09-12 This book offers evidence for the first time that those responsible for the Whitechapel murders were members of a hit team associated with a centuries old European occult confederacy dedicated to human sacrifice This was first mooted by Jim Keith in his 1993 book Secret and Suppressed and then corroborated in the private papers of a Monsignor who carried out intelligence work for Pope Pius X in the run up to the outbreak of global conflict in 1914 The priest told of the existence of a Vatican based cabal of assassins known to its members by the maxim Dead Men Carry No Tales formed by the infamous Borgias that is in alliance with a Teuton occult group formed in the 9th century It was from within this unholy alliance that assassins travelled to London to carry out the Ripper murders to solve a sticky problem for the British Royal Family Keith s Vatican informant Part of the substantiation for this evidence derives from Joseph Farrell in his recent Hess and the Penguins book for AUP The evidence also substantiates Keith s informant s astonishing claim that the assassins came together in a

conference in Basle in 1897 to put the building blocks together for National Socialism and to prepare the blueprint for the Holocaust For the first time also the book substantiates a new line of research that suggests that the work of key figures from America and Britain within the nineteenth century's highly influential and richly funded Bible Revision movement was associated with the grisly events in London's East End during 1888's Autumn of Terror Topics include Mr Splitfoot Whitechapel Martha HPB Polly The Occult Underground Dark Annie The Occult Establishment Long Liz The Lady with the Lilacs From Lilacs to Violets Mary Kelly Baconalia Rothschild's Bible Basle 1897 Through the Looking Glass more [Riptide](#) Michael Prescott, From New York Times and USA Today bestseller Michael Prescott author of Final Sins and Cold Around the Heart comes Riptide a dark unsettling descent into old crimes and new madness Jennifer Silence reads between the lines A psycholinguistic analyst she studies documents written by murderers teasing out hidden clues But nothing in her life has prepared her for the document that is now in her hands A leather bound diary from a crumbling crypt The diary of Jack the Ripper If it is genuine it suggests a troubling connection between Jennifer's family and history's most infamous serial killer A connection that may explain her father's suicide and her brother's mental illness A connection that may implicate her brother in a new rash of killings and prove that the Ripper's spirit still prowls dark streets and alleys taking lives And the next victim may be Jennifer herself

White-Collar Crime in Late Nineteenth and Early Twentieth-Century Britain John Benson, 2019-12-06 This book throws new light on white collar crime criminals and criminality in late nineteenth and early twentieth century Britain It does so by considering the life of one man Jesse Varley 1869-1929 who embezzled more than 80 000 from Wolverhampton Corporation and for a decade and more enjoyed an ostentatiously extravagant lifestyle He was discovered and despite serving a period of penal servitude he turned again to white collar crime this time in Sheffield Sentenced again to penal servitude he died a few years later in Liverpool in what were said to be very poor circumstances
