

**THE BIG IDEA:** The expansion of voting rights and the election of Andrew Jackson signaled the growing power of the American people.

### Expansion of Democracy

- Early 1800s -- many changes in America:
  - In the North - craftspeople owned shops being replaced by big factories staffed by hired workers.
  - In the South - small family farms being replaced by large cotton plantations -wealthy white owners—worked by slaves (Wealth concentrated in fewer hands.)
- Late 1700s view of how government should be managed: should be run by wealthy, property owning white men
  - The result was a growing belief that - the wealthy had all the power in the US—government policies seemed to help build and maintain that power
- Andrew Jackson: reform-minded, popular war hero, lost the controversial 1824 election
  - Popular with/supported by -farmers, settlers, slave owners
  - Popular because -they thought he would defend the rights of the common people, & slave states, disappointed in the way he lost the election of 1824
  - Democratic reforms during this period: --some states changed qualifications for voters—more white male suffrage, revised rules—excluded free blacks from voting, began nominating conventions where party members (NOT LEADERS) chose candidates

### Election of 1828

- Democratic Party: --formed by Jackson supporters during Election of 1828
- National Republicans: -- the party name Adams supporters began using

## **Jacksonian Democracy Study Guide Answers:**

**The Concept of Jacksonian Democracy** Lee Benson, 2015-03-08 Jacksonian Democracy has become almost a commonplace in American history But in this penetrating analysis of one state its voting cycles party makeup and social ethnic and religious patterns Lee Benson shows that the concept bears little or no relation to New York history during the Jacksonian period New York voters between 1816 and 1844 did not follow the traditional distinctions between Whigs and Democrats Ethnic and religious ties were stronger social forces than income occupation and environment Mr Benson s examination suggests a new theory of American voting behavior and a reconsideration of other local studies during this period Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *US Citizenship Test Study Guide 2024-2025:500 Practice Questions and Answers* Claire Georgette Wiman, US Citizenship Test Study Guide 2024 2025 The Ultimate Resource for Acing Your Naturalization Exam Are you preparing for the U S citizenship test and seeking a comprehensive up to date resource to guide you through the process Look no further US Citizenship Test Study Guide 2024 2025 is your essential companion for acing the naturalization exam with confidence This all in one study guide is meticulously crafted to help you understand and master every aspect of the U S citizenship test With up to date information reflecting the latest changes and requirements for 2024 and 2025 this guide offers Detailed Coverage In depth explanations of U S government history and civics including all the key topics you ll be tested on Practice Questions and Answers Realistic questions modeled after the actual test to help you gauge your knowledge and improve your test taking skills Expert Tips and Strategies Proven techniques and strategies to help you prepare effectively and efficiently ensuring you feel confident on test day Visual Aids and Resources Clear easy to understand charts diagrams and summaries that simplify complex concepts and make studying more effective Whether you re a new applicant or looking to refresh your knowledge this guide offers a clear path to success It s designed to be user friendly making it accessible to all levels of learners Prepare thoroughly boost your confidence and increase your chances of passing the U S citizenship test with flying colors Get your copy of US Citizenship Test Study Guide 2024 2025 today and take the next step towards becoming a U S citizen **Jacksonian Democracy and the Working Class** , **AP U.S. History For Dummies** Greg Velm, 2009-01-29 Getting ready to tackle the AP U S History exam AP U S History For Dummies is a practical step by step guide that will help you perfect the skills and review the knowledge you need to achieve your best possible score Discover how to identify what the questions are really asking and find out how to combine your history knowledge with context clues to craft thoughtful essays Try your hand at two true to life AP exams complete

**Webster and Jacksonian Democracy** Sydney Nathans,2019-12-01 Originally published in 1973 Professor Nathans illuminates the changes wrought by Jacksonian democracy on the career of Daniel Webster a major political figure and on the destiny of a major political party the Whigs Daniel Webster was a creative anachronism in the Jacksonian era His career illustrates the fate of a generation of American politicians reared to rule in a traditional world of defined social classes where gentlemen led and the masses followed With extensive research into primary sources Nathans interprets Webster as a leader in the older political tradition hostile to permanent organized political parties and fearful of social strife that party conflict seemed to promote He focuses on Webster s response to the rise of entrenchment of voter oriented partisan politics He analyzes Webster s struggle to survive comprehend and finally manipulate the new politics during his early opposition to Jackson his roles in the Bank War and the nullification crisis and the contest for leadership within the Whig Party from 1828 to 1844 Webster and the Whigs resisted and then belatedly attempted to answer the demands of the new egalitarian mass politics When Webster failed as an apologist for government by the elite he became a rhapsodist of American commercial enterprise Seeking a new power base he adapted his public style to the standards of simplicity and humility that the voters seemed to reward Nathans shows however that Webster developed a realistic vision of the common bonds of Jacksonian society of the basis for community that would warrant anew the trust needed for the kind of leadership he offered The meaning of Webster s career lies in these attempts to bridge the old and new politics but his attempt was doomed to ironic and revealing failure Nathans studies Webster s impact on the Whig party showing that his influence was strong enough to thwart the ambitions of his rivals Henry Clay and John C Calhoun but not strong enough to achieve his own aspirations Nathans argues that Webster through his efforts to increase his authority within the party merely revealed his true weakness as a sectional leader His successful blocking of Clay and Calhoun brought about a deadlock that significantly hastened the transfer of power to men more committed to strong party organization and more talented at voter manipulation Webster s dilemma was the crisis of an entire political generation reared for a traditional world and forced to function in a modern one

Stobaugh,James Stobaugh,2012-03 Teacher Guide for the 34 week 9th 12th grade history course This convenient teacher s guide includes perforated three hole punched worksheets grading criteria and exams to assess student comprehension This curriculum reflects a solid educational process to help a student develop a Christian world view and form his her own understanding of history from that perspective **A Guide for the Study of Current Problems** Charles A. Fisher,1921 **The Washington Community, 1800-1828** James Sterling Young,1966 Study of the political behavior organization inner life and outlook of the entire Federal establishment in Washington D C During the Jeffersonian era *Resurrecting Leather-Stocking* Bill Christophersen,2019-04-05 An examination of the renowned author s complex portrayal of frontier America James Fenimore Cooper s Leather Stocking tales The Pioneers The Last of the Mohicans The Prairie The Pathfinder and The Deerslayer 1823 1841 romantically portray frontier America during the colonial and early republican eras Bill Christophersen s Resurrecting Leather Stocking Pathfinding in Jacksonian America suggests they also highlight problems plaguing nineteenth century America during the contentious decades following the Missouri Compromise when Congress admitted Missouri to the Union

as a slave state During the 1820s and 1830s the nation was riven by sectional animosity slavery prejudice populist politics and finally economic collapse Christophersen argues that Cooper used his fictions to imagine a path forward for the Republic Cooper he further suggests brought back Leather Stocking to test whether the common man as empowered by Jackson s presidency was capable of republican virtue something the author considered key to renewing the nation     **Democratic Citizenship and Public Administration** Ray C. Minor, 2021-03-10 This book provides a basic understanding of democratic citizenship through use of case studies These case studies illustrate the extent to which ordinary citizens are controlling their common future The book provides theoretical and evidence based findings on the complexities of citizenship in a capitalistic republican setting It offers new theoretical frameworks on reparation and democratic citizenship
