A Teacher's Journey: K-12 American Education: What They Didn't Teach You in College Chris Moyo, 2016-08-01 American K-12 Education What they didn't teach you at the university/college is a personal journey of a teacher as well as an outside look at the education in America today. Through the journey, this teacher faces many challenges which many of today's teachers face as the education in America goes through its sometimes chaotic process of reforms. The book is a dialogue and therefore calls for a serious discussion about how students are being educated as well as how teachers need to be empowered rather than vilified through the unions that represent them. Chris Moyo brings together over eleven years of classroom experience in schools in Kentucky. His infusion of cultural experience will leave you in stitches at times, and the way he views education is truly refreshing.

The American Indian and Alaska Native Student's Guide to College Success D. Michael Pavel, Ella Inglebret, 2007-05-30 Choosing the right college is a big decision for most people. American Indian and Alaska Natives are no exception, but finding a college that offers a good educational program in their major plus a strong support system for tribal traditions makes that decision even more complex. This volume will help Native people clarify their postsecondary aspirations, improve their college choice, and increase their success in college. After a thorough examination of the issues that should be considered, Pavel and Inglebret present the different types of colleges, available programs, and services to meet the special

needs of Native students and financial aid options By answering many of the basic questions students have about going to college Pavel and Inglebret help to demystify the process and encourage more Native students to pursue a college education Special features include A list of colleges with Native American studies and those most friendly to Native Americans needs A list of sources for financial aid with contact information Interviews with Native American students on all aspects of their college experiences Suggestions for students on how to balance their new college experiences with their community and heritage
