Fishy Affair: Fish Recipes From The Past And Present Diptendra Prasad Sinha, 2022-11-24 Fish is an important item in our food chain. It is loaded with nutrients like polyunsaturated fatty acids, essential minerals, and easy-to-digest proteins. Fish items in our regular diet make us strong and healthy and boost our immunity. No other food can do this. India is blessed with a coastal belt on all three sides and has an abundance of rivers, lakes, and other water bodies for fish cultivation and fish harvests. Fish is a delicate food item and needs care and knowledge to prepare to get the right taste, texture, and flavour in the final prepared dish. *Fishy Affair* is a book on fish recipes with the exact details so that a novice can boldly venture with confidence to cook the dishes. The book is gradual on cooking expertise, and one can graduate from the simple preparations to the most challenging ones. Typical regular home lunch dishes like Macher Jhol, Jhal to mustard-added fish preparations, to the Anglo-Indian preparations like baked and fried dishes, are all very lucidly written. There is a lot of variety in the seafood recipes the author mentioned, with illustrations to make them doable. Prawns, curries, Crabs, curries, and Leaf-Wrapped Paturi make the book interesting and worth reading. The author has personally tried out

every recipe in this book and thus the recipes are presented easily and comprehensively for any person to do provided he or she is brave enough to take up the challenge All the photographs accompanying the recipes are shot by the author during the actual process of food preparation and thus one can check for the detailed outcome These realistic photos will serve as a guide for anyone trying to cook the recipes *Let's Cook Fish!*, 1976 *How to Cook Fish* Verein deutscher fisch haendler, 1887 Over 250 Ways to Cook and Serve Fish and Other Productions of the Sea Mary W Anderson, Mary W.
