Intentional Parenting Family Discipleship By Design:

Intentional Parenting Tad Thompson, 2011-02 There are literally thousands of books available on how to live various aspects of the Christian life. Of these at least a couple of dozen pertaining to family life and child training are well worth reading. This is not one of those books. This book is designed to help you take those other books as well as all the sermons, teachings, and exhortations you have received on child training and leadership in the home and make sense of it all. Pastor Tad Thompson has assembled a biblical approach to effective family discipleship. Let him share it with you in this clear, encouraging, accessible book. This is not another book of tactics and techniques. It is a book of strategy for parents who want to be intentional about discipleship in the home.

After They Are Yours Brian Borgman, 2014-10-01 Adoption offers a powerful testimony of grace in a world of unwanted pregnancies and on-demand abortion. But no one said adoption is easy. As an adoptive parent and pastor who has counseled many adoptive parents, Brian Borgman knows there is another side to adoption that we are often reluctant to talk about. Parenting is always a challenge, but parenting an adopted child can have some special challenges. Adoptive parents can experience much heartache and even guilt with their adopted children. Many suffer in silence. Borgman writes with a burden to minister to those who are struggling. *After They Are Yours: The Grace and Grit of Adoption* talks transparently and redemptively about the often unspoken problems adoptive parents face. Combining personal experience, biblical wisdom, and a heart for people, Borgman recalls the humbling and difficult lessons God has taught him and his wife. This is not a success story; rather, it's a story of struggles and failures set in the broader context of a God who is gracious and continually teaches us the meaning of adoption.

Innocent Blood John Ensor, 2011-09 The gospel of Christ is the gospel of life, and the Christian's defining reality. Yet the shedding of innocent blood, primarily through abortion, has now marked an entire generation. *Innocent Blood* explores a series of questions so as to reveal vital connections between the gospel and the call to defend the unborn. These questions include: What does the Bible mean when it says that life is in the blood? What does the Bible say about blood guilt? How is it that we are all stained by it and accountable for it even though few of us have taken a human life? What remedy does God provide for the guilt of shedding innocent blood? What are we to do when confronted with the shedding of innocent blood, and where does our courage to take action come from? What is the link between protecting the innocent and proclaiming good news to the guilty? Not a book on social issues per se, nor a book on missions, *Innocent Blood* integrates the two and calls us to courageously challenge the powers of death with the gospel of life.

Broken Vows John Greco, 2013-09-01 There was never supposed to be a post-marriage period of my life, says John Greco. He had just accepted his dream position as a church pastor when his wife

announced she was divorcing him In a few short weeks his marriage ended and his career plans unraveled He was hurt angry and felt abandoned by God Marriage is supposed to be for life but divorce still happens How can a Christian reconcile the reality of divorce with the biblical view of marriage How can the wronged spouse forgive And how can God still be good when bad things happen In *Broken Vows Divorce and the Goodness of God* Greco doesn't offer pat answers In the initial aftermath he says one must simply grieve There is a period after a devastating loss when a soul is unable to take in words of healing he says These are the moments not to look for answers or try to find any sort of good in the situation but to pour yourself out to Jesus *Broken Vows* combines Greco's personal story with a biblical view of suffering He provides pastoral help for those who have experienced divorce and gives all Christians a way to think biblically about this difficult subject

Friends and

Lovers Joel R. Beeke, 2012-02 *Marriage* aims at the glory of God through intimate companionship God meant husband and wife to walk together talk together work together and sleep together As the Puritans said God did not make the woman out of man's head to control him or out of his feet for him to trample on her but out of his side to be embraced near to his heart Here is a book of practical encouragements for two key aspects of marriage companionship and sex Dr Joel Beeke draws upon the wisdom of the Holy Scriptures and over three decades of pastoral ministry to present a dozen practical principles for fanning into flame the fire of love between husband and wife The Bible has a higher aim than a satisfying marriage namely glorying in God forever Marriage will one day be done made obsolete by the magnificent relationship between Christ and His people Even now marriage is neither the chief purpose nor the highest joy of man But the Scriptures do call wedded people to glorify God here and now through their marriages Dr Beeke's book aims to assist them in this In Part I *Friends* the book explores the meaning cultivation and threats to friendship in marriage Friendship is that personal bond of shared life that brings people together in delightful harmony It is rooted God's created order of making men and women in His image We broke this harmonious order when our first parents sinned against God simultaneously turning against each other But Christ is the great peacemaker and friendship restorer Cultivating friendship with your spouse is hard work but profoundly rewarding It revolves around sharing life together The book gives guidance in how to share yourself with your spouse through the gifts of time discussing decisions listening to each other's feelings talking about how God is at work in your lives praying together building trust laughing together giving thanks pleasing your spouse and finding shared interests It also walks the reader through the minefields of giving and receiving correction honoring in laws having balanced friendship with others and supporting one another in crises Above all we must remember that our most important friendship is with our Lord Jesus Christ who alone can walk with us through life death and eternity In Part II *Lovers* Dr Beeke sets forth several ways in which the gospel energizes married Christians to enjoy sex in holy delight The words gospel sex and holy may not seem to go together This book shows that in reality sexual love between husband and wife is both a holy duty pleasing to God and blessed privilege empowered by Christ's grace Rather than splitting our lives into different compartments such as sex and

religion God calls us to respond to Christ's mercies by offering our whole existence to Him as a living sacrifice The Bible teaches us doctrines like the image of God in man the creation mandate God laid upon the human race the moral law for marriage forgiveness of sins by faith in Christ sanctification by divine grace Christ's call to take up our cross adoption by God and turning from idols to give thanks to God All these doctrines have massive implications for our sexual relationship with our spouses However these doctrines must do more than sit in our minds they must sink into our hearts In Reformed experiential fashion Dr Beeke leads the reader to know believe feel and act based upon God's Word applied by God's Spirit

Who Am I? Jerry Bridges, 2012-03-15 Best selling author Jerry Bridges The Pursuit of Holiness The Discipline of Grace The Bookends of the Christian Life and many other books asks perhaps the most fundamental question of existence Who am I He then turns to Scripture to unpack for the Christian eight clear interlocking illuminating answers I Am a Creature I Am in Christ I Am Justified I Am an Adopted Son of God I Am a New Creation I Am a Saint I Am a Servant of Jesus Christ I Am Not Yet Perfect A direct honest presentation of biblical truth and all new material from Jerry Bridges Who Am I demonstrates for believers that they can and should rightfully claim for themselves an unshakeable lifelong personal foundation of confidence in one thing and one thing alone the gospel of a victorious resurrected Savior

Education Or Imitation Curtis Allen, 2012 To interpret Scripture rightly imitate Jesus The earthly ministry of Jesus was all about rightly interpreting and applying God's Word We can do the same No special training required In fact right interpretation of Scripture followed by right application is the primary way that Christians are to be like God This is not an issue of education It's an issue of imitation The example of Jesus' life shows us how

Redeeming The Time Daryl Poe, 2024-10-08 The Church's immutable mission is to intentionally share Christ's kingdom The believer's divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered

institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God s CLEAR Path Forward biblically examines Christ s transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ s servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple s relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ s transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward
