Vindicating God Troy J. Edwards,2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God s enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God s character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those

Timothy K Williams,2003-10 **David's Question** Edward Reaugh Smith,2001-11 This collection of the astronomical
writings by Dr Elisabeth Vreede is a fascinating compendium of scientific and spiritual knowledge Between September 1927
and August 1930 Dr Vreede wrote a monthly letter available by subscription about both modern astronomy and classical
astrology in the light of spiritual science These letters include clear explanations of the fundamentals of astronomy and
discussions on the role of astrology in the modern world They also include inspiring presentations of a worldview that sees
the stars planets and all physical phenomena as manifestations of spiritual beings and spiritual activities A previous edition
was published as *Anthroposophy and Astrology* A Reexamination of the Lordship of Jesus Christ: Patronage Dr. Frank
Abissi Jr.,2017-06-05 Everyone wants a savior but not everyone wants a Lord This comment by a friend led author Frank
Abissi to delve into the concept of Lordship in ancient times In this work he discusses the practice of patronage particularly
in Ancient Rome Examined in detail are the accounts of Ruth and Boaz in the Old Testament and Onesimus and Philemon in
the New Testament Finally the author discusses patronage as it relates to the believers relationship with Jesus Christ It is the
authors hope that this work helps to deepen the personal relationship of the believer with the Lord and Savior Jesus Christ

Does God Send Sickness? Troy J. Edwards,2020-08-26 God is said in Scripture to send what he can but doth not hinder
from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told
that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been
cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and
deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present
where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more
likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely
with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look
at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to
do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make
God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving
character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar

Separatist Christianity David A. Lopez,2004-10 By establishing the coherence and ubiquity of this separatist philosophy
Lopez offers a fresh new interpretation of the history of the early church The Soul's Long Journey Edward Reaugh
Smith,2003-11 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible s most
fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a
confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on

the organic provisions of the Old Testament Smith shows both what the assumptions of the Master s hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner s vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore The Great Prayer of Ephesians Frank Abissi Jr. Th.D. Ph.D.,2020-03-31 Ephesians is the pinnacle of revelation to the church and the great prayer of Ephesians is the section upon which the Epistle draws its spiritual power The prayer demonstrates to the church what the power of God is and why the church needs this power It is here that the church discovers the strength of God and at the center of all is the Love of God The love of God is explained in a simple and succinct manner in this section of the New Testament The purpose of this book is to help you understand in a deeper way the truth of God s Word as it is presented to the Christian believer The Great Prayer of Ephesians is part two of a series on the epistle Ephesians Part one delves into the seven doctrinal passages in Ephesians chapters one through three The final part will present the seven practical treatises in the second half of the Epistle **HEAL CAT, Heal You!!** Woman,2016-01-19 I think HEAL CAT Heal You By Woman is such an important book to buy and keep on your shelf because it teaches the Word of God as a means to quell and heal as a creative force for great artistic minds or simply as a healing method to help you stand up during the day Art must be cleaned for the populace to be healthy Ask the USO if this book is how to heal grandma even while you try to be big It alters you from being laded a mediocre artistic unto a world where God reigns by clearing curses off your art thereby altering fate of reception to your arts By using Bible verses in our prayer to actually cause the choreographic movements or art enhancements the next step becomes a prayer process to remove the sin needing repentance of the word of God to make the work popular It s not only political connections to be big in the arts it s also being prepared to battle what comes against you by appealing to God by using prayer and repentance of the scripture that creation is made from to protect the public as they can enjoy art better when they are clean and healthy themselves So you need a hardcover edition to pass down to your kids with certainty they will receive the information unblocked from loss of cloud fun especially if Christianity becomes inexpedient under new rulership HEAL CAT is how to defend yourself quietly without having to nuisance to get free It is a real biblical healing process originally intended by God and why we never used pharmaceuticals in our past before Prayer works better when Biblical language is used Life then becomes how to stay clean young and healthy to use this repenter pak methodology and how to be loved as an artist to use prayer and repentance in your work And God blesses turning to Him **Modern Paladin** Victor Matthews PhD,2017-11-17 An instant classic Modern Paladin a holy warrior for todays world combines the best of Bible commentary and church leader discipleship This work is as comprehensive and detailed as any program for leadership development could be It begins with the discovery that the

ancient city of Ephesus is the only church location to receive both an epistle from Paul and a letter in Revelations This city and church are proven to be perfect representatives of the modern church and a line by line analysis of Ephesians uncovers over a hundred bullet point lessons for modern church leaders This in depth commentary then evolves into an actual system the modern paladin system wherein a reader can analyze themselves their small groups and even whole churches with an eye toward the biblical lessons of leadership Absolutely required reading for any church leader that wants to improve or any scholar or student that wants to know more about Ephesians or what the Bible has to say about leadership Dive in and discover how you can strengthen yourself your small groups and your church striving through the Word of God to become a modern paladin
