

## Chapter 16

### Non-profit Organizations

#### *Learning Objectives*

1. Explain the applicability of the PFRSs to NPOs.
2. Account for the assets, liabilities, equity, revenues and expenses of NPOs.
3. Enumerate and describe the financial statements of NPOs.
4. State the accounting procedures peculiar to specific types of NPOs.

#### Introduction

Although the IFRSs/PFRSs are designed to apply to business entities, they can also be applied to non-profit organizations. This is evidenced by the following excerpts from the IFRSs/PFRSs:

- IFRSs are designed to apply to the general purpose financial statements and other financial reporting of profit-oriented entities. Although the IFRSs are not designed to apply to not-for-profit activities, entities with such activities *may find them appropriate.*" (Preface to IFRSs, 9)
- PAS 1 *Presentation of Financial Statements* uses terminology that is suitable for profit-oriented entities. If entities with *not-for-profit activities* apply PAS 1, they may need to *amend the descriptions* used for particular line items in the financial statements and for the financial statements themselves. (PAS 1.5)
- IFRSs generally do *not* have scope limitations for not-for-profit activities. Although IFRSs are developed for profit-oriented entities, *a not-for-profit entity might be required, or choose, to apply IFRSs.* (IFRS 3 *Business Combinations*.BC63)
