Maintaining a Decluttered Space Elena Dupont, 2015-10-09 Learning to declutter our lives is a life long task that we all need to take seriously When we are children we have our parents following us around and cleaning up after ourselves As we enter into the teenage years we begin to take on responsibilities and begin to give ourselves structure When we become adults we soon become aware that there is too much to do and very little time to do it This is where setting a plan and a goal will help us develop strong habits

One habit is being able to control the environment that we live in and as such make us more responsible for the lives that we live In this book we will talk about how to declutter our lives We will talk about setting goals an action plan and different ways that you can better organize our lives and the way we handle the items we collect In this book I will cover Mindset towards what is important and what we can live without How to set action plans and delegate actions to keep our lives and our space clean and tidy Uses for items that may have been outdated or no longer serve their purpose And much more When it comes to having an ordered environment it is important to keep up with the habits that we learned and the progress that we made If you define your life in such a way that we implement clean habits into our lives these actions will become second nature So don t delay don t degrade your progress and download this book today Every second you wait the more chance you will fall into a rut and be overtaken by the environments we fail to maintain **Declutter One Room at a Time T.S**
