

Guided Reading Activity

The Vietnam War, 1954–1975

Lesson 2 Vietnam Divides the Nation

Review Questions: Outlining

DIRECTIONS: Read the lesson and complete the outline below. Refer to your textbook to fill in the blanks.

I. The Antiwar Movement Emerges

- A. As the Vietnam War dragged on, support waned because many believed that the Johnson administration was not telling the truth about the war.
- B. Many Americans believed a credibility gap existed because of inconsistencies between what the administration said about the war and what was shown by media.
- C. Students and teachers at universities held teach-ins to explain why they opposed the war, while many protesters focused on what they thought was an unfair draft system. Most of the soldiers were working-class and minority youths.
- D. As the war went on, many young men burned their draft cards while an estimated 500,000 refused to go.

Many soldiers argued that if they were old enough to fight, they were old enough to

vote. The 26th amendment gave 18-year-olds the

- a. right to vote in federal and state elections. Supporters of the war and opponents of the war both supported the amendment.

B. 1968: The Peace Year

- A. Senator Eugene McCarthy opposed the war and South Vietnam. This effort, called the Tet Offensive, was repelled. Americans, however, were alarmed that an enemy might launch such a large-scale attack.

On March 25, 1968, Johnson declared the nation with the announcement that

he would not seek reelection.

His announcement marked the nation's turning point in the war.

- B. Bobby Kennedy was appointed to be in the lead for the Democratic Party's nomination for president.

- C. In the presidential election of 1968, Republican candidate Richard Nixon was elected president because he promised to bring peace and order to the country.
