Dragons didn't just show up out of thin air 2000 years ago and not all died in the Dragani War. Atlanta is in chaos after a supernatural predator opens a rift releasing abominations taking over preternaturals as well as humans. To save his people and the world, an ancient dragon shifter king must expose his existence to immortal enemies who will put aside differences to destroy the dragon they believed long dead. While battling on every side, the dragon king must find a mysterious female who holds the key to locating the powerful grimoire needed to close the rift and has her own agenda. Humans are panicking, ready to kill anything strange. Atlanta and the entire human race have one hope of surviving what's coming for them, but only if fear of the unknown does not drive them to kill their greatest protector first.
