Originally titled *Children's and Household Tales* *The Complete Grimm's Fairy Tales* contains the essential bedtime stories for children worldwide for the better part of two centuries. The Brothers Grimm, Jacob and Wilhelm, were German linguists and cultural researchers who gathered legendary folklore and aimed to collect the stories exactly as they heard them. 2012 marked the 200th anniversary of *Grimm's Fairy Tales* and what better way to celebrate than to include all 211 stories into a beautiful gift edition. Featuring all your favorite classics including *Hansel and Gretel*, *Cinderella*, *The Frog Prince*, *Rapunzel*, *Snow White*, *Rumpelstiltskin*, and dozens more, *The Complete Grimm's Fairy Tales* is also accompanied by 40 color plates and 60 black and white illustrations from award-winning English illustrator Arthur Rackham, whose books and prints are now highly sought after collectibles. The fourth title in the *Timeless Classics* series from Rock Point has nearly 800 pages of classic fairy tales to enjoy and will also feature a gorgeous deckled edge, book block ribbon marker, and foil and deboss details on a vibrantly colored case, a standout for your personal library collection. Also includes a selection of stunning color reproductions by the famous illustrator Arthur Rackham. The *Timeless Classics* series from Rock Point brings together the works of classic authors from around the world. Complete and unabridged, these elegantly designed gift editions feature luxe patterned endpapers, ribbon markers, and foil and deboss details on vibrantly colored cases. Celebrate these beloved works of literature as true standouts in your personal library collection.

**Narcissism and Sexuality** Ken Silvestro, 2018-12-17 Everyone by virtue of possessing a psychology and being a child embodies narcissistic tendencies. Not everyone, however, is narcissistically wounded. A narcissistic wound can manifest in many expressions, from personality dysfunctions to rage. This book differentiates between a severe narcissistic disorder and a narcissistic wound, focusing on one common expression: sexuality. Narcissistic sexual expressions are portrayed in sexual experiences, myths, fairy tales, legends, and the practicalities of personal relationships, which serve to amplify the theory and experiential descriptions. The psychological foundation throughout the book: analytic psychology was developed by Carl Jung. The images presented assist the reader in forming a deeper understanding of the theme. The primary psychological concepts presented include: Self, False Self, narcissistic wound, origin of the wound, inability to relate to another person, sexual interludes to satisfy the narcissistic wound, anima, a psychological source similar to the Chinese construct of Yin and Eros, a psychological function of relationship. Two thirds of the book presents a Jungian analysis of a client addressing a narcissistic wound. Fifty-four dreams and interpretations illuminate the analytic process. This material provides an in-depth perspective of a seldom understood and shared process analysis. The content presented here is timely for many reasons. Western societies, particularly the US, display increasing narcissistic behaviors and expressions. Presenting narcissism from one particular expression: sexuality, can enhance the collective awareness of this issue.

*Grimms' Tales around the Globe* Vanessa Joosen, 2014-06-16 *Grimms' fairy tales* are among the best-known stories in the world, but the way they have been introduced into and interpreted by cultures across the globe has varied enormously. In *Grimms' Tales around the Globe*, editors Vanessa Joosen and Gillian Lathey bring together

scholars from Asia Europe and North and Latin America to investigate the international reception of the Grimms tales The essays in this volume offer insights into the social and literary role of the tales in a number of countries and languages finding aspects that are internationally constant as well as locally particular In the first section Cultural Resistance and Assimilation contributors consider the global history of the reception of the Grimms tales in a range of cultures In these eight chapters scholars explore how cunning translators and daring publishers around the world reshaped and rewrote the tales incorporating them into existing fairy tale traditions inspiring new writings and often introducing new uncertainties of meaning into the already ambiguous stories Contributors in the second part Reframings Paratexts and Multimedia Translations shed light on how the Grimms tales were affected by intermedial adaptation when traveling abroad These six chapters focus on illustrations manga and film and television adaptations In all contributors take a wide view of the tales history in a range of locales including Poland China Croatia India Japan and France Grimms Tales around the Globe shows that the tales with their paradox between the universal and the local and their long and world spanning translation history form a unique and exciting corpus for the study of reception Fairy tale and folklore scholars as well as readers interested in literary history and translation will appreciate this enlightening volume

**Folktales and Fairy Tales** Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource

*Off with Their Heads!* Maria Tatar, 2020-06-30 When Hansel and Gretel try to eat the witch s gingerbread house in the woods are they indulging their uncontrolled cravings and destructive desires or are they simply responding normally to the hunger pangs they feel after being abandoned by their parents Challenging Bruno Bettelheim and other critics who read fairy tales as enactments of children s untamed urges Maria Tatar argues that it

is time to stop casting the children as villains In this provocative book she explores how adults mistreat children focusing on adults not only as hostile characters in fairy tales themselves but also as real people who use frightening stories to discipline young listeners     *Inquiry and Reflection* Diane DuBose Brunner,1994-01-01 Inquiry and Reflection shows how stories of schooling can elucidate difficult and unexamined problems facing teachers While professional texts tend to raise issues of power and its distribution and questions of culture and ideology often the manner of presentation is abstract and pre service teachers have difficulty making connections Yet literary film and video materials illuminate problems and suggest ideas to which teachers can actively respond This book offers teacher educators a variety of resources for articulating a critical pedagogy and suggests an alternative to the technical job training approach to teacher education by providing a unique educational curricula that illuminates issues of power ideology and culture     **Grimm's Fairy Tales** Jacob Grimm,Wilhelm Grimm,1903
