Groenland Continent Der Eenzamen:

Northwest Greenland Richard Vaughan, 1991 In Northwest Greenland Richard Vaughan narrates for the first time the little known history of Avanersuaq the place in the farthest north This small strip on the northwestern coast of Greenland has supported the most northerly human settlement on the globe and remains one of the last frontiers on earth Its geography an arid desolate sheet of ice on one side and the sea on the other has isolated the land and its few inhabitants from the pressures for change experienced in other parts of the world In the nineteenth century explorers were not looking for Avanersuaq they were en route to other goals whale hunts off the Canadian coast the search for the Northwest Passage or for the missing explorer John Franklin It is not until Robert Peary s appearance in 1891 that Northwest Greenland becomes a focal point for exploration anthropological study and the development of the region s resources Vaughan discusses all these topics and provides information on the quest for Cape York meteorites in the late 1800s scientific interest in the local Eskimos the Inuhuit as they call themselves and Peary s expeditions across the Inland Ice sheet Cultural histories usually give only cursory attention to the environment but Vaughan integrates the people and their habitat as inextricably as they are linked in nature Early explorers found in Avanersuaq a strange mixture of ice desert and rock with surprising pockets of vegetation and wildlife that ranged from the narwhal and polar bear to the small dovekie or little auk The Inuhuit they found used their scarce resources wisely with a lifestyle that centered on nomadic hunting Vaughan takes a careful look at the changes exploration and settlement brought to Avanersuaq and its people from the prehistoric subsistence lifestyle of the Inuhuit to the Danish colonization of northern Greenland in the twentieth century The construction of Thule Air Base in the 1950s is also given prominent attention Indeed Americans bulk large in these pages which describe the expeditions of Elisha Kent Kane Isaac Hayes and Charles F Hall as well as Peary s BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Library of Congress Catalog** Library of Congress, 1960 A cumulative list of works represented by Library of Congress printed cards **Library of Congress Catalogs** Library of Congress, 1960
