Growing A Healthy Church Complete With Study Guide:

Growing a Healthy Church Dann Spader,1991 **Growing A Healthy Church** Dann Spader,Gary Mayes,1993-10-09
Sheep swapping shuffling of the saints Whatever you call it many churches are growing only because Christians transfer from one church to another What s more many churches aren t growing at all The problem according to authors Dann Spader and Gary Mayes is that too many church calendars are filled with outdated mediocre programs that have become more of a burden than a blessing That coupled with the fact that these programs minister almost exclusively to Christians leaves little for the non Christian seeker to get excited about Growing a Healthy Church is not a list of trendy new programs for your church agenda It is a journey of rediscovery Spader and Mayes look closely at the four stages of spiritual growth in relation to outreach Using the innovative M level system these gifted men show how a church can minister to all individuals regardless of their levels of maturity in potential service This helps eliminate the mistakes of forcing new Christians into service that may overwhelm them or may leave the mature Christian unchallenged Proven successful through SonLife and churches who have used this system this resource will help you focus on the simplicity of Christ s ministry enabling you to build an effective discipling strategy for your church **Cultivating a People for God** Enoch Kwan,2019-04-09 This is not just another book It is a long but timeless message better described as a theology of Discipleship I wish God had used someone else who is smarter to write this book and it may have come out sooner It took God 25 years for me to capture the bits and pieces while God taught me in time This book will show you God s heart and get you excited about fulfilling His plan You will find the simple way of integrating spirituality and ministry while pleasing God in all areas of your life and ministry The wide Scripture supported fresh philosophy and framework presented in this book will help you feel God s heartbeat It will elevate your perspective and build a stronger motivation for your church to engage with Christ s Great Commission You will discover the God inspired strategy for discipleship in the Commandments for the Great Commission You will discover how we may effectively cultivate and offer daily to God a People God awaits Your congregation will have time to enjoy life and God while fulling the Great Commission and maturing as Christians in God s inspired ways You will be glad to allow this book to jump to the front of your reading list as it may inject transformational elements to your other reading It is possible that the message presented in this book will spark a new movement for God s people Come join me in fellowship through this book and decide for yourself to see if you can be a part of this new and exciting journey Core Concepts of Shepherding Dag Heward-Mills,2016-06 An unparalleled expos for pastors Vital information on developing committed members An in depth study on the activities of shepherds A practical guide for all ministers **Invitation to Educational Ministry** George Hillman,Sue Edwards,2018-09-25 Because teaching is at the heart of Christian ministry the editors of Invitation to Educational Ministry have assembled a team of seasoned experts to present a comprehensive plan of Christian education This volume will help church staff parachurch leaders and small group teachers become more effective influential and

creative After laying a biblical and practical foundation for Christian education the contributors provide specific guidance on teaching a variety of individuals and groups including children adults singles seniors and non Christians The final section shares valuable insights on leading small groups teaching innovatively and overseeing a healthy educational ministry among other topics Each chapter is designed to equip educators with the most relevant information and includes many useful features Real life case studies Scriptural support Explanations of key terms and concepts Practical suggestions Resources for additional study Sidebars illustrating best principles and practices
