Hidden Meaning Fr. James Groenings,1987-01-17 The Passion of Jesus and Its Hidden Meaning shows how every person in the world whether he realizes it or not is personally involved in the sufferings and death of Jesus Christ It was because of our sins and the seriousness of these sins that Our Lord underwent so cruel a torture Using only classic Catholic Commentaries

on the Scriptures Fr Groenings demonstrates the historical context and spiritual significance of each episode of the Passion of Jesus From the Agony in the Garden through Our Lord s death and burial every page of this book is replete with vaulable lessons and superabundance of material for meditation and reflection Drawing from both the Old and New Testaments Fr Groenings is able to illustrate the meaning of every event and episode showing how to apply these lessons to our lives today Far from being merely an act of unspeakable brutality the Passion and death of Jesus Christ are shown to be the greatest proof of God s love and mercy to each of us The Life of St. Teresa of Jesus, of the Order of Our Lady of Carmel Of Avila Saint Teresa,2022-05-28 In The Life of St Teresa of Jesus of the Order of Our Lady of Carmel St Teresa of Avila presents a profound and introspective narrative that intertwines memoir with spiritual treatise Written in the 16th century this autobiographical work explores her mystical experiences struggles with prayer and her reformativ vision for the Carmelite Order amidst the backdrop of the Counter Reformation St Teresa s literary style is marked by clarity and a deep sense of reverence inviting readers into the intimate landscape of her soul revealing both the trials of her faith and the transformative power of divine love Saint Teresa of Avila a Spanish mystic and theologian was not only a prominent religious figure but also a reformer who sought to restore the original spirit of the Carmelite Order Her own tumultuous experiences with spirituality and her commitment to contemplative life provided her with the insight necessary to articulate the complexities of faith prayer and divine union Her writings are both a product of her extensive theological knowledge and personal encounters with God reflecting the fervor of the 16th century Catholic revival This book is highly recommended for those interested in mysticism spirituality and the intersection of personal experience with theological discourse St Teresa s rich insights and eloquent prose make this work an essential read for anyone seeking a deeper understanding of the Christian spiritual journey and the transformative power of grace **A Catalogue of the Most Important Books Available for Free Circulation Among Subscribers to 'The Times'** The Times, London.
