Gruesome Spectacles Botched Executions And Americas Death Penalty:

Gruesome Spectacles Austin Sarat, 2014-04-30 *Gruesome Spectacles* tells the sobering history of botched mismanaged and painful executions in the U S from 1890 to the present Since the book s initial publication in 2014 the cruel and unusual executions of a number of people on death row including Clayton Lockett in Oklahoma and Joseph Wood in Arizona have made headlines and renewed vigorous debate surrounding the death penalty in America Austin Sarat s book instantly became an essential resource for citizens scholars and lawmakers interested in capital punishment even the Supreme Court which cited the book in its recent opinion *Glossip v Gross* Now in paperback the book includes a new preface outlining the latest twists and turns in the death penalty debate including the recent galvanization of citizens and leaders alike as recent botched executions have unfolded in the press Sarat argues that unlike in the past today s botched executions seem less like inexplicable mishaps and more like the latest symptoms of a death penalty machinery in disarray *Gruesome Spectacles* traces the historical evolution of methods of execution from hanging or firing squad to electrocution to gas and lethal injection Even though each of these technologies was developed to perfect state killing by decreasing the chance of a cruel death an estimated three percent of all American executions went awry in one way or another Sarat recounts the gripping and truly gruesome stories of some of these deaths stories obscured by history and to some extent the popular press *Deadly Justice* Frank R. Baumgartner, Marty Davidson, Kaneesha R. Johnson, Arvind Krishnamurthy, 2018 Forty years and 1 400 executions after the U S Supreme Court ruled the death penalty constitutional eminent political scientist Frank Baumgartner and a team of younger scholars have collaborated to assess the empirical record and provide a definitive account of how the death penalty has been implemented *A Statistical Portrait of the Death Penalty* shows that all the flaws that caused the Supreme Court to invalidate the death penalty in 1972 remain and indeed that new problems have arisen Far from perfecting the mechanism of death the modern system has failed **The American Middle Class** Robert S. Rycroft, 2017-05-12 What is the American Dream This book s author argues that contrary to what many believe it is not achieving the wealth necessary to enter the top one percent but rather becoming members of the great middle class by dint of hard work and self discipline Americans of all classes consider themselves to be middle class There are Americans who by any objective standard should be considered poor who would insist they are middle class just as other Americans who should be considered wealthy also insist they are middle class Thinking of yourself and being thought of by others as middle class is the American Dream for tens of millions of people But an enduring problem of the American middle class is the worry that the Dream is coming apart that forces are lurking in the shadows waiting to steal their progress and throw them back into poverty This thought provoking reference explores a disparate multitude of issues associated with being middle class in America It addresses a range of questions and subtopics including the meaning of the term middle class how middle class status is expressed by both the majority and the various minorities that make up the American mosaic what economic pressures are bearing down

on the middle class and how economists and others attempt to make sense of the economic issues of the day Readers will also better understand how political institutions and public policies are shaping the way the middle class views the world how labor housing education and crime related issues have influenced the development and growth of the middle class the norms of the middle class versus those of other classes in society and the role of culture and media in shaping how members of the middle class view themselves and how they are viewed by others This two volume set provides a comprehensive look at the American middle class that supports student research in economics social studies cultural studies and political history The content supports teachers in their development of lesson plans and assignments that directly align with the Common Core State Standards and the recommendations of the National Curriculum Standards for Social Studies NCSS with respect to all ten NCSS themes

Modern Literature and the Death Penalty, 1890-1950 Katherine Ebury,2021-02-10 This book examines how the cultural and ethical power of literature allowed writers and readers to reflect on the practice of capital punishment in the UK Ireland and the US between 1890 and 1950 It explores how connections between high and popular culture seem particularly inextricable where the death penalty is at stake analysing a range of forms including major works of canonical literature detective fiction plays polemics criminological and psychoanalytic tracts and letters and memoirs The book addresses conceptual understandings of the modern death penalty including themes such as confession the gothic life writing and the human animal binary It also discusses the role of conflict in shaping the representation of capital punishment including chapters on the Easter Rising on World War I on colonial and quasi colonial conflict and on World War II Ebury s overall approach aims to improve our understanding of the centrality of the death penalty and the role it played in major twentieth century literary movements and historical events

American Prisons and Jails Vidisha Barua Worley,Robert M. Worley,2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections

multidisciplinary overview of capital punishment's influences processes and outcomes across society A global range of philosophers social scientists legal experts political theorists and historians critically analyse the trajectory of the death penalty in both retentionist and abolitionist countries underscoring how state killing remains a crucial issue worldwide

Seeing Justice Mary Angela Bock, 2021 A behind the scenes look at the struggles between visual journalists and officials over what the public sees and therefore much of what the public knows of the criminal justice system In the contexts of crime social justice and the law nothing in visual media is as it seems In today's mediated social world visual communication has shifted to a democratic sphere that has significantly changed the way we understand and use images as evidence In *Seeing Justice* Mary Angela Bock examines the way criminal justice in the US is presented in visual media by focusing on the grounded practices of visual journalists in relationship with law enforcement Drawing upon extended interviews participant observation contemporary court cases and critical discourse analysis Bock provides a detailed examination of the way digitization is altering the relationships between media consumers and the criminal justice system From tabloid coverage of the last public hanging in the US to Karen shaming videos from mug shots to perp walks she focuses on the practical struggles between journalists police and court officials to control the way images influence their resulting narratives Revealing the way powerful interests shape what the public sees *Seeing Justice* offers a model for understanding how images are used in news narrative

The Culture of Capital Punishment in Japan David T. Johnson, 2019-11-18 This open access book provides a comparative perspective on capital punishment in Japan and the United States Alongside the US Japan is one of only a few developed democracies in the world which retains capital punishment and continues to carry out executions on a regular basis There are some similarities between the two systems of capital punishment but there are also many striking differences These include differences in capital jurisprudence execution method the nature and extent of secrecy surrounding death penalty deliberations and executions institutional capacities to prevent and discover wrongful convictions orientations to lay participation and to victim participation and orientations to democracy and governance Johnson also explores several fundamental issues about the ultimate criminal penalty such as the proper role of citizen preferences in governing a system of punishment and the relevance of the feelings of victims and survivors

Steiker, Jordan M. Steiker, Comparative Capital Punishment offers a set of in depth critical and comparative contributions addressing death practices around the world Despite the dramatic decline of the death penalty in the last half of the twentieth century capital punishment remains in force in a substantial number of countries around the globe This research handbook explores both the forces behind the stunning recent rejection of the death penalty as well as the changing shape of capital practices where it is retained The expert contributors address the social political economic and cultural influences on both retention and abolition of the death penalty and consider the distinctive possibilities and pathways to worldwide abolition **Man with the Killer Smile** Mitchel P. Roth, 2022-11-15 On a cold windy December night in 1926 hell was unleashed on a tenant farm near Farwell the last Texas town before the New Mexico border Prone to the bottle and fits of rage the burly man with the smiling blue eyes was in no mood to quarrel with his third wife over his bootleg whisky and sexual abuse of his stepdaughter He went

from room to room in the house killing his wife and each child with primitive cutting tools and his bare hands By the time he concluded his bloody work he had taken the lives of nine family members ranging in age from 2 to 41 committing what one local reporter called the blackest crime in the history of the West Texas Panhandle Husband father uncle embezzler serial mass murderer philanderer child molester convict and military deserter George Jefferson Hassell was many things to many people most of them bad His pattern of familicide crime had begun in 1917 when he slaughtered his common law wife and her three kids in Whittier California Later in Texas he married his brother s wife and became stepfather to her eight children Using Hassell s confessions and his many interviews with reporters as well as the trial transcripts and reminiscences of those who crossed paths with him in Texas Oklahoma and California Mitchel P Roth presents the first comprehensive account of the life and crimes of one of the least known multiple murderers in Texas let alone American history Roth situates Hassell s saga within the 1920s Texas criminal justice system including the death penalty which Hassell ultimately received from Old Sparky the electric chair at Huntsville

Geometrical Justice Scott Phillips, Mark Cooney, 2022-06-16 Legal decisions continue to mystify why was this person sentenced to 20 years in prison but that person to just 10 years for the same crime Why did one person sue for civil damages but another let the matter drop Legal rules are supposed to answer these questions but their answers are radically incomplete Wouldn t it be wonderful to have a theory that predicted and explained legal decisions Drawing on Donald Black s theoretical ideas Geometrical Justice The Death Penalty in America addresses these issues focusing specifically on who is sentenced to death and executed in the United States The book explains why some murders are more serious than others and how the social characteristics of defendants victims and jurors affect case outcomes Building on the most rigorous data in the field the authors reveal wide discrepancies in capital punishment why one person lives but another person dies Geometrical Justice will be of interest to those engaged in criminal justice criminology and socio legal studies as well as students taking courses on sentencing corrections and capital punishment

Executing Freedom Daniel LaChance, 2018-02-09 In the mid 1990s as public trust in big government was near an all time low 80% of Americans told Gallup that they supported the death penalty Why did people who didn t trust government to regulate the economy or provide daily services nonetheless believe that it should have the power to put its citizens to death That question is at the heart of Executing Freedom a powerful wide ranging examination of the place of the death penalty in American culture and how it has changed over the years Drawing on an array of sources including congressional hearings and campaign speeches true crime classics like In Cold Blood and films like Dead Man Walking Daniel LaChance shows how attitudes toward the death penalty have reflected broader shifts in Americans thinking about the relationship between the individual and the state Emerging from the height of 1970s disillusion the simplicity and moral power of the death penalty became a potent symbol for many Americans of what government could do and LaChance argues fascinatingly that it s the very failure of capital punishment to live up to that mythology that could prove its eventual undoing in the United States

A Culture of Engagement Cathleen Kaveny, 2016 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny s articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life

Death in New York: History and Culture of Burials, Undertakers & Executions K. Krombie, 2021 Like every aspect of life in the Big Apple how New Yorkers have interacted with death is as diverse as each of the countless individuals who have called the city home Waves of immigration brought unique burial customs as archaeological excavations uncovered the graves of indigenous Lenape and enslaved Africans Events such as the 1788 Doctors Riot a response to years of body snatching by medical students and physicians contributed to new laws protecting the deceased Overcrowding and epidemics led to the construction of the Cemetery Belt a wide stretch of multi faith burial grounds throughout Brooklyn and Queens From experiments in embalming to capital punishment and the far reaching industry of handling the dead author K Krombie unveils a tapestry of stories centered on death in New York

Social Work and Science in the 21st Century Leon H. Ginsberg, Christopher R. Larrison, Larry Nackerud, John R. Barner, Lauren A. Ricciardelli, 2019-03-11 Social work students practitioners and educators often lack a solid educational foundation in science leading to an underestimation of its impact on all of our lives Social Work and Science in the 21st Century provides information and ideas that bring the natural and physical sciences and related fields such as climate change chemistry and neuroscience into the domains of social work education and practice

Clinard and Quinney's Criminal Behavior Systems A. Javier Treviño, 2019-06-11 An important classic familiar to virtually all criminologists Clinard and Quinney s Criminal Behavior Systems A Revised Edition begins with a discussion of the construction of types of crime and then formulates and utilizes a useful typology of criminal behavior systems It classifies crime into seven categories

among them violent personal crime occasional property crime public order crime occupational crime corporate crime organized crime and political crime They examine the criminal career of the offender in each category public and legal attitudes toward these individuals support systems they may have attitudes of the offenders and other features The discussion of each category of crime is thorough and enlightening and takes the reader far in understanding the huge problem of crime and establishing intelligent definitions to study it The new edition looks at the criminal landscape of the twenty first century capturing both the numerous advancements in theory and research in the field of criminology as well as many societal changes that have taken place in law mass media the economy culture and the political system that directly affect the book s coverage of various types of crimes A global perspective broadens the book s relevance to include a variety of different societies Crimes newly examined in this edition include identity theft domestic violence arson hate crimes cybercrime campus sexual assault police brutality Ponzi schemes human trafficking and terrorism Finally alternatives to conventional criminal justice are considered including such approaches as peacemaking restorative justice private justice problem solving harm reduction naming and shaming and internal and external controls Like its predecessors Clinard and Quinney s *Criminal Behavior Systems A Revised Edition* will be essential to criminologists formulating their own theories and research on criminal behavior as well as to students in criminology and sociology courses on how to view and study crime

The Slow Death of the Death Penalty Todd C. Peppers, Jamie Almallen, Mary Welek Atwell, 2025-07-01 Why the death penalty is in decline across the United States Across the country the death penalty is dying Twenty two states have abandoned state sanctioned executions including nine in the last fifteen years Of the twenty eight states that still have the death penalty eight have not had an execution in over a decade And public support for the death penalty has declined from 80% of the surveyed population in the early 1990s to approximately 50% today As the death penalty slowly withers away Todd C Peppers Jamie Almallen and Mary Welek Atwell bring together a number of distinguished death penalty scholars activists and attorneys to take an accounting of the damage inflicted by the machinery of death Contributors to the book point to a range of different pathologies which have caused politicians and voters to turn against capital punishment from unacceptable rates of false convictions and racially motivated prosecutions to a clemency process poisoned by political factors Essay topics include various dimensions of the death penalty including racial and gender bias economic costs the conviction of juveniles the mentally ill and the factually innocent Supreme Court decisions and the failure of the death penalty to serve as a deterrent against crime This important volume is an up to date accounting of the current state and as the contributors argue the future demise of the death penalty
