Numbering My Days Chene Heady, 2016-06-20 Chene Heady was a believing Catholic whose daily concerns were shaped primarily by forces other than his faith career demands financial decisions scheduling conflicts etc He worked long hours and had limited regular interaction with his wife also a busy professional and his young daughter He was the typical overextended and anonymous modern Catholic man Then he tried an experiment that dramatically rearranged his life After reading about the importance of the Church s liturgical year Heady took up the challenge to live as though the Church s calendar not the secular one stood at the center of his life Every day for a year he observed the Church s seasons and feasts and meditated on the Church s daily readings As he did so he found that his life
