cultural specificity This book analyses Australian popular culture chick lit novels dramedy television shows women s magazines YouTube beauty vlogs self help manuals and newspapers to reveal the tensions contradictions and ambiguities that have always been constitutive of postfeminism including in Australia Examining how these popular forms intervene in dominant conversations about contemporary Australian femininities Postfeminism in Context maps the ways in which various aspects of Australia s history and national identity have shaped its postfeminism While Henderson and Taylor identify some of the limited postfeminist tropes and patterns of representation evident in comparable locales they also find that Australian popular culture has responded to feminism in a much more hopeful way Adding some much needed cultural specificity to the ongoing debate around this loaded term Postfeminism in Context is essential reading for those interested in Australian popular culture feminism and the gendered politics of representation **Chanel Sweethearts** Cate Kendall,2010-07-02 From the bestselling authors of Gucci Mamas and Versace Sisters Country girl Jess has lost so much in the past year So when an old flame reappears to offer her a new life in the city far from the idyllic country town where she grew up Jess decides to trade her Blundstones for stilettos and reinvent herself as a sophisticated city designer But can she leave Stumpy Gully and her beloved General Store which she transformed from rickety shed into a thriving funky destination at the heart of the small town Has she got what it takes to succeed in the city And what about the friends she will leave behind and the possibility of a romance with her oldest dearest friend This is another sassy engaging commercial women s fiction read from the bestselling authors of Gucci Mamas and Versace Sisters **Versace Sisters** Cate Kendall,2010-05-01 Another hilarious offering from bestselling author Cate Kendall From the backwaters of Tasmania to the sophisticated streets of Sydney sisters Bellarene and Serandipity have come a long way As international flight attendants the world is their oyster until Sera fell in love and settled for family life Obsessed with keeping up appearances Sera goes to extreme lengths to maintain the illusion of perfection while Bella just wants to fly away from the responsibility of mothering her little sister from the sadness of her broken marriage and from memories of the past Gathering her friends at Stitch n Bitch is like therapy There s a lot of talk and not much knitting and they wouldn t have it any other way Ditzzy Mallory has her own shocks in store and single mum Chantrea agonises over work and childcare Widowed single dad Sam is terrified of the dating scene and Sera s uptight neighbour Jacqueline has a little secret one that could destroy her neatly ordered world Meanwhile Joan Sera s mother in law watches then all and sniffs with disdain at their trivial worries Sera wants to be perfect Bella just wants to be free Will the sisters get what they want **Armani Angels** Cate Kendall,2011-06-01 A page turning wicked romp of bitchy one upmanship and competition wrapped in a hilarious satirical bow Dynamic PR guru Gemma Bristol has her well manicured finger firmly on the pulse of the Australian social scene She regularly rubs shoulders with the country s A listers at the glittering opening nights and exclusive launches she hosts But away from the shining lights of her stellar career life is much less glamorous Her husband has become a stranger her teenage son is angry and uncommunicative and somehow the career she has worked so

hard for doesn't seem to satisfy her anymore Gemma needs a new direction but has she gone too far when she challenges the grand matriarch of Melbourne philanthropy Dame Frances Davenport to a fundraising duel that captivates the city And is it just her imagination or is her handsome New York colleague flirting with her Not that she'd act on it anyway she's a married woman right As the charity duel heats up and the social pages buzz with excitement Gemma faces some big questions about her future and her family that will change her life forever Bibliografijos žinios ,2012 **Cate Kendall Bindup** Cate Kendall,2010-05-01
