Shore Robert Ruby, 2014-06-10 The true story of how the first English colony in the New World was lost to history then found again three hundred years later England's first attempt at colonizing the New World was not at Roanoke or Jamestown but on a mostly frozen small island in the Canadian Arctic Queen Elizabeth I called that place Meta Incognita the Unknown Shore Backed by Elizabeth I and her key advisors including the legendary spymaster Sir Francis Walsingham and the shadowy Dr John Dee the erstwhile pirate Sir Martin Frobisher set out three times across the North Atlantic in the process leading what is still the largest Arctic expedition in history In this forbidding place Frobisher believed he had discovered vast quantities of gold the fabled Northwest Passage to the riches of Cathay and a suitable place for a year round colony But Frobisher's dream turned into a nightmare and his colony was lost to history for nearly three centuries In this brilliantly conceived dual narrative Robert Ruby interweaves Frobisher's saga with that of the nineteenth century American Charles Francis Hall

whose explorations of this same landscape enabled him to hear the oral history of the Inuit passed down through generations It was these stories that unlocked the mystery of Frobisher's lost colony Unknown Shore is the story of two men's travels and of what these men shared three centuries apart Ultimately it is a tale of men driven by greed and ambition of the hard labor of exploration of the Inuit and their land and of great gambles gone wrong [Lexical Borrowing in American Sign Language](#) Robbin Battison,1978 **Take My Hand: A Theological Memoir** Andrew Taylor-Troutman,2013-02-13 Take My Hand is an invitation to experience a year of preaching through the eyes of a first year pastor Andrew Taylor Troutman reflects on his experience of ministry as a dynamic exchange between his theological education and the people in the pews Each chapter consists of Taylor Troutman's reflections about a particular aspect of living as a faith community and concludes with a sermon exploring similar themes and ideas As this book journeys through the Christian liturgical year Taylor Troutman considers a wide range of contemporary church issues including the role of children in worship and the communal practice of Sabbath He discusses topics as diverse as the Rapture the death penalty and church league softball Along the way readers will laugh at Sunday morning bloopers study biblical texts from new perspectives wrestle with theological questions and discover parallels between their own experience of faith and the life of this small rural congregation More than just a retrospective summary of events Take My Hand poignantly illustrates how a pastor's work on Sunday morning grows out of his or her engagement with the hopes and fears of daily life and the inspiring faith of men women and children in a church The Group Study Edition encourages people of different ages and experiences to discuss and enjoy the book while applying insights to their own communities of faith *Animated Film and Disability* Slava Greenberg,2023-02-07 While many live action films portray disability as a spectacle *crip animation* a genre of animated films that celebrates disabled people's lived experiences uses a variety of techniques like clay animation puppets pixilation and computer generated animation to represent the inner worlds of people with disabilities Crip animation has the potential to challenge the ableist gaze and immerse viewers in an alternative bodily experience In *Animated Film and Disability* Slava Greenberg analyzes over 30 animated works about disabilities including *Rocks in My Pockets* *An Eyeful of Sound* and *A Shift in Perception* He considers the ableism of live action cinematography the involvement of filmmakers with disabilities in the production process and the evocation of the spectators senses of sight and hearing consequently subverting traditional spectatorship and listenership hierarchies In addition Greenberg explores physical and sensory accessibility in theaters and suggests new ways to accommodate cinematic screenings Offering an introduction to disability studies and crip theory for film media and animation scholars *Animated Film and Disability* demonstrates that crip animation has the power to breach the spectator's comfort evoking awareness of their own bodies and in certain cases their social privileges *Career Opportunities in Travel and Hospitality* Jennifer Bobrow Burns,2010 Whether you want to spend your days outside leading tours or in the kitchen preparing delicious meals for customers the travel and hospitality industries offer a diverse array of career opportunities
