Hodges IV,Kathy Leonard,2011-11 Practical and straightforward yet warm and compassionate Grieving with Hope clarifies the popular misconception that people move through stages of grief This will be an encouragement to many as grieving people often think something is wrong with them when their grief doesn t proceed neatly through stages The reality is that grieving people jump back and forth between different emotions sometimes wrestling with multiple emotions at once This book is packed with short biblically based gospel centered topical chapters addressing the issues grieving people face but are often hesitant to mention to others It helps readers accurately interpret the message their emotions are sending them and gently guides them to determine whether they re grieving in a way that leads to hope and ultimate healing Developed from interviews with over 30 well respected Christian counselors teachers and authors as well as numerous personal testimonies Grieving with Hope helps the bereaved discover how hope and peace are available amidst their heartache and pain *Healing a Grandparent's Grieving Heart* Alan D Wolfelt,2014-05-01 This heartfelt manual is an indispensable and easily referenced resource for grieving grandparents offering them a way forward after the death of a grandchild Whether they were close to their grandchild and keenly feeling his or her absence or even if they were not close to the child and are mourning the loss of a relationship they ll never have this book offers grandparents compassionate comfort and practical ideas for their journey through grief addressing as well the unique pain of watching their children mourn the loss of their child The ideas offered in the book clarify the basic principles of grief and mourning and offer immediate suggestions for things grandparents can do to embrace their grief honor and remember their grandchild and begin to heal **Where After** Mariel Forde Clarke,2021-08-27 A journey that will compel readers to view life after death in a completely different way Where do our loved ones go After they die This is the

question that has traversed the universe for centuries and is considered one of life's greatest mysteries. While many of the world's renowned philosophers, scientists, theorists, doctors, and great mystics endorsed the existence of the afterlife, no one book has been available to explore it all until now. Mariel Forde Clarke asserts that whether you believe in God or heaven, you can be comforted by the sense that an afterlife exists beyond the realm of one's physical comprehension. Drawing on the findings of patients who have had near-death experiences and visions, and on those of renowned scientists and doctors, Clarke helps the reader chart the journey of the soul and navigate their grief. *Neverborn* Jackson Badgenoone, 2018-04-11

Did you ever have a period of time in your life when the whole world crashed in on you? Rachael, the principal character in this book, had such a time: an entire year of tragic events piled one upon the other. She finds strength and reassurance from the imagined voices of her never-born children. Her path leads her to write about relentless attacks on her spirit. Along the way, she seeks solace from reading about others who have experienced similar loss. Rachael's family and friends join her on this exploratory journey. They consider the written works that influence her life. That intellectual exercise morphs into an emotional and spiritual adventure. Perhaps the imagined voices are real. Readers will decide. *HelpFinder Bible NLT* Tyndale, 2018

The HelpFinder Bible makes it easy for anyone, whether familiar with Scripture or not, to find help in the Bible for their immediate needs.
