**The Christian's Prayer Book** David C Jantjies, 2019-01-11 In the beginning man had to be in a very distinct relationship with God in order to have passage to his heart However this would dramatically change when Jesus came to earth Early in his ministry Jesus realized man's inability to pray And thus Jesus taught his followers to pray the Lord's Prayer as recorded in Matthew 6:9-13 It is evident that Jesus was teaching his followers that his Father does not expect lengthy supplications We simply had to enter in prayer giving God glory soliciting the things we need begging for forgiveness petitioning a way around evil and finally pouring out our adulations on God in all his majesty David Christian Jantjies in this epic work digs a little deeper and uncovers the untapped treasures of the much neglected individualized focused prayer The time has now come to approach the throne of God with focused prayers less detailed accentuated prayer worship of the Living God themed petitions and crisp thanksgiving for what God has done and is still doing It further preaches for a more frequent interaction with God The Christian's Prayer Book Focused Prayers 101 is a glorious work Readers will be able to identify with most of these prayers The spectrum is wide The glorification of God is immense The petitions are daily contentions The praise giving to God is huge Each prayer is supported by potent quotations However do not miss the teachings on what prayer is where to pray when to pray and how to pray

Ghafari was three years old when the Taliban banned girls from schools and she began her education in secret. She was six when American airstrikes began. She was twenty-four when she became mayor, one of the first female mayors in the country and first of Wardak, one of the most conservative provinces in Afghanistan. An extremist mob barred her from her office; her male staff walked out in protest; assassins tried to kill her three times. Through it all, Zarifa stood her ground. She ended corruption in the municipality, promoted peace, and tried to lift up women despite constant fear for herself and her family. When the Taliban took Kabul in 2021, Ghafari had to flee. But even that couldn't stop her. Six months later, she returned to continue her work empowering women. Zarifa is an astonishing memoir that offers an unparalleled perspective of the last two decades in Afghanistan from a citizen, daughter, woman, and mayor. Written with honesty, pain, and ultimately hope, Zarifa describes the work she did, the women she still tries to help as they live under Taliban rule, and her vision for how grassroots activism can change their lives and the lives of women everywhere.
