# Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution

**Garrett W. Brown, David Held**

## **Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution:**

*Grounding Cosmopolitanism* Garrett Wallace Brown, 2009-09-14 In a new interpretation Garrett Wallace Brown considers Kant's cosmopolitan thought as a form of international constitutional jurisprudence that requires minimal legal demands. He explores and defends topics such as cosmopolitan law, cosmopolitan right, the laws of hospitality, a Kantian federation of states, a cosmopolitan epistemology of culture, and a possible normative basis for a Kantian form of global distributive justice.

Kant's Grounded Cosmopolitanism Jakob Huber, 2022-06-30 Two kinds of cosmopolitan vision are typically associated with Kant's practical philosophy: on the one hand, the ideal of a universal moral community of rational agents who constitute a kingdom of ends qua shared humanity; on the other hand, the ideal of a distinctly political community of world citizens who share membership in some kind of global polity. Kant's *Grounded Cosmopolitanism* introduces a novel account of Kant's global thinking, one that has hitherto been largely overlooked: a grounded cosmopolitanism concerned with spelling out the normative implications of the fact that a plurality of corporeal agents concurrently inhabit the earth's spherical surface. It is neither concerned with a community of shared humanity in the abstract, nor of shared citizenship, but with a disjunctive community of earth dwellers that is embodied in direct physical confrontation with each other. Kant's grounded cosmopolitanism, as laid out in the *Doctrine of Right*, frames the question how individuals relate to one another globally by virtue of concurrent existence and derives from this a specific set of constraints on cross-border interactions. **Kant and**

**Cosmopolitanism** Pauline Kleingeld, 2011-11-10 This is the first comprehensive account of Kant's cosmopolitanism, highlighting its moral, political, legal, economic, cultural, and psychological aspects. Contrasting Kant's views with those of his German contemporaries and relating them to current debates, Pauline Kleingeld sheds new light on texts that have been hitherto neglected or underestimated. In clear and carefully argued discussions, she shows that Kant's philosophical cosmopolitanism underwent a radical transformation in the mid-1790s and that the resulting theory is philosophically stronger than is usually thought. Using the work of figures such as Fichte, Cloots, Forster, Hegewisch, Wieland, and Novalis, Kleingeld analyses Kant's arguments regarding the relationship between cosmopolitanism and patriotism, the importance of states, the ideal of an international federation, cultural pluralism, race, global economic justice, and the psychological feasibility of the cosmopolitan ideal. In doing so, she reveals a broad spectrum of positions in cosmopolitan theory that are relevant to current discussions of cosmopolitanism. *International Organizations and the Idea of Autonomy* Richard Collins, Nigel D.

White, 2011-04-20 *International Organizations and the Idea of Autonomy* is an exploratory text looking at the idea of intergovernmental organizations as autonomous international actors. In the context of concerns over the accountability of powerful international actors exercising increasing levels of legal and political authority in areas as diverse as education, health, financial markets, and international security, the book comes at a crucial time. Including contributions from leading scholars in the fields of international law, politics, and governance, it addresses themes of institutional autonomy in

international law and governance from a range of theoretical and subject specific contexts The collection looks internally at aspects of the institutional law of international organizations and the workings of specific regimes and institutions as well as externally at the proliferation of autonomous organizations in the international legal order as a whole Although primarily a legal text the book takes a broad thematic and inter disciplinary approach In this respect International Organizations and the Idea of Autonomy offers an excellent resource for both practitioners and students undertaking courses of advanced study in international law the law of international organizations global governance as well as aspects of international relations and organization

**Governance of Emerging Space Challenges** Nikola Schmidt, 2022-04-22 This edited volume discusses how even small nation states can make a significant difference in the future of space governance The book is divided into three main sections covering political theory case studies and space technology and applications Key topics of discussion include planetary defense space mining and high power systems in space Through these timely subjects the book presents strategies for developing a truly global governance framework in space based on the concept of a responsible cosmopolitan state Authored by a multidisciplinary group of researchers from the Czech Republic the volume will appeal to other scientific teams and policymakers looking to become pioneers of cosmopolitan space policies at a national and global level

*Inn Civility* Vaughn Scribner, 2019-04-23 Examines the critical role of urban taverns in the social and political life of colonial and revolutionary America From exclusive city taverns to seedy disorderly houses urban taverns were wholly engrained in the diverse web of British American life By the mid eighteenth century urban taverns emerged as the most popular numerous and accessible public spaces in British America These shared spaces which hosted individuals from a broad swath of socioeconomic backgrounds eliminated the notion of civilized and wild individuals and dismayed the elite colonists who hoped to impose a British style social order upon their local community More importantly urban taverns served as critical arenas through which diverse colonists engaged in an ongoing act of societal negotiation *Inn Civility* exhibits how colonists struggles to emulate their British homeland ultimately impelled the creation of an American republic This unique insight demonstrates the messy often contradictory nature of British American society building In striving to create a monarchical society based upon tenets of civility order and liberty colonists inadvertently created a political society that the founders would rely upon for their visions of a republican America The elitist colonists futile efforts at realizing a civil society are crucial for understanding America s controversial beginnings and the fitful development of American republicanism

**Kant's Embedded Cosmopolitanism** Georg Cavallar, 2015-05-19 Kant s omnipresence in contemporary cosmopolitan discourses contrasts with the fact that little is known about the historical origins and the systematic status of his cosmopolitan theory This study argues that Kant s cosmopolitanism should be understood as embedded and dynamic Inspired by Rousseau Kant developed a form of cosmopolitanism rooted in a modified form of republican patriotism In contrast to static forms of cosmopolitanism Kant conceived the tensions between embedded local attachments and cosmopolitan

obligations in dynamic terms He posited duties to develop a cosmopolitan disposition *Gesinnung* to establish common laws or cosmopolitan institutions and to found and promote legal moral and religious communities which reform themselves in a way that they can pass the test of cosmopolitan universality This is the cornerstone of Kant's cosmopolitanism and the key concept is the vocation *Bestimmung* of the individual as well as of the human species Since realizing or at least approaching this vocation is a long term arduous and slow process Kant turns to the pedagogical implications of this cosmopolitan project and spells them out in his later writings This book uncovers Kant's hidden theory of cosmopolitan education within the framework of his overall practical philosophy

**Public Reason and Courts** Silje A. Langvatn, Mattias Kumm, Wojciech Sadurski, 2020-06-04 A comprehensive study of public reason for courts with contributions from leading scholars in philosophy political science and law

Handbook on Global Constitutionalism Anthony F. Lang, Antje Wiener, 2023-11-03 This thoroughly revised Handbook presents an up to date political and philosophical history of global constitutionalism By exploring the constitutional like qualities of international affairs it provides key insight into the evolving world order

Kant, Global Politics and Cosmopolitan Law Claudio Corradetti, 2020-04-08 Why is there so much attention on Kant's global politics in present day law and philosophy This book highlights the potential fruitfulness of Kant's cosmopolitan thought for understanding the complexities of the contemporary political world It adopts a double methodological strategy by reconstructing a genealogical conceptual journey showing the development of international law as well as introducing an interpretation of cosmopolitanism centred on Kant's theory of a metaphysics of freedom The result is a novel focus on Kant's notion of the world republic The hypothesis here defended is that the world republic stands as a way of thinking about international politics where the possibility of progression towards peace results from its use as a regulative idea

**Kant's Political Legacy** Luigi Caranti, 2019-09-15 This book focuses on Kant's analysis of three issues crucial for contemporary politics Starting from a new reading of Kant's account of our innate right to freedom it highlights how a Kantian foundation of human rights properly understood and modified where necessary appears more promising than the foundational arguments currently offered by philosophers It then compares Kant's model for peace with the apparently similar model of democratic peace to show that the two are profoundly different in content and in quality The book concludes in analysis of Kant's controversial view of history to rescue it from the idea that his belief in progress is at best over optimistic and at worst dogmatic Congratulations to Professor Luigi Caranti and his book *Kant's Political Legacy* which has been given a honorable mention by the North American Kant Society in the competition for the best 2018 book on Kant <http://northamericankantsociety.onefireplace.org/Announcements/6660588>

*Stoicism and the Western Political Tradition* Lisa Hill, Eden Blazejak, 2021-07-17 This book uniquely recovers and assesses Stoic political thought by tracking its uptake into Western modernity and exploring the extent of its impact Classical Stoicism has lately seen a popular resurgence inspiring self help books and therapeutic treatments for anxiety and depression As a scholarly source for the Western political

tradition it is even more important Yet as A A Long once observed o f all the ancient philosophies Stoicism has probably had the most diffused yet least adequately acknowledged influence on Western thought This close textual study not only provides the first systematic study of the political content of Stoic thought but also establishes the hitherto under appreciated influence of classical Stoicism on the political thought of the long eighteenth century and beyond in Europe and particularly Britain The Stoic ideas upon which we focus include their cosmopolitanism their contribution to sociability and self interest debates their influence on modern feminism and utilitarianism and their prefiguration of modern conceptions of personal rights

*Liberal Peace* Michael Doyle, 2011-08-05 Comprising essays by Michael W Doyle *Liberal Peace* examines the special significance of liberalism for international relations The volume begins by outlining the two legacies of liberalism in international relations how and why liberal states have maintained peace among themselves while at the same time being prone to making war against non liberal states Exploring policy implications the author focuses on the strategic value of the inter liberal democratic community and how it can be protected preserved and enlarged and whether liberals can go beyond a separate peace to a more integrated global democracy Finally the volume considers when force should and should not be used to promote national security and human security across borders and argues against President George W Bush s policy of transformative interventions The concluding essay engages with scholarly critics of the liberal democratic peace This book will be of great interest to students of international relations foreign policy political philosophy and security studies

**Unnatural States** Peter Ian Lomas, 2017-09-08 *Unnatural States* is a radical critique of international theory in particular of the assumption of state agency that states act in the world in their own right Peter Lomas argues that since the universal states system is inequitable and rigid and not all states are democracies anyway this assumption is unreal and to adopt it means reinforcing an unjust status quo Looking at the concepts of state nation and agency Lomas sees populations struggling to find an agreed model of the state owing to inherited material differences and unsurprisingly among theorists of the nation only controversy and a great confusion of terms Meanwhile the functional incarnations of the state agent are caricatures the mandarin state the lawyer state the landlord state the heir to history state and the patriot state Yet recent developments in international theory constructivism scientific realism postmodernism sacrifice state agency only at the price of an unhelpful abstraction The states system is dysfunctional and obsolete Lomas contends and international theory must be recast with morality as central to inspire and to guide historic change He focuses in his conclusion on prescriptions for change led by four moral concerns human rights weapons of mass destruction relations between rich and poor societies and the environment I begin this book writes Lomas with the commonest commonplace of international theory to expose it as a meaningless cliché In the masterly hands of Hobbes it was elaborated into a shock formula for organized society a reading of history as civilization s failure Kant sought to rescue morality from Hobbes and create the structures of modernity but Kant s influence is coming to an end In the Cold War politicians disagreeing over another philosopher almost brought the world to

an end Hence the challenges of our time These are primary and profound Philosophers have done much to define the modern world The point of international theory is to change it      **The Cosmopolitanism Reader** Garrett W. Brown,David Held,2010-12-28 In response to a renewed cosmopolitan enthusiasm this volume brings together 25 essays in the development of cosmopolitan thought by distinguished cosmopolitan thinkers and critics It looks at classical cosmopolitanism global justice culture and cosmopolitanism political cosmopolitanism and cosmopolitan global governance      Hospitality and World Politics Gideon Baker,2013-02-07 A long neglected concept in the field of international relations and political theory hospitality provides a new framework for analysing many of the challenges in world politics today from the search for peaceable relations between states to asylum and refugee crises      *Kant's Cosmopolitics* Brown Garrett Wallace Brown,2019-04-01 Written by a group of international scholars the essays in this collection investigate issues related to the interplay among the state and global governance peace and human rights enforcement migrant crisis management European federalisation global educational reforms and Kantian based ideas for fostering what some might call a cosmopolitan culture As a result this book advances the field of Kantian cosmopolitanism and how it relates to current debates in political theory philosophy and the study of international relations      *The Security Council as Global Legislator* Vesselin Popovski,Trudy Fraser,2014-07-11 Security Council resolutions have undergone an important evolution over the last two decades While continuing its traditional role of determining state specific threats to peace and engaging accordingly in various peaceful or coercive measures the Security Council has also adopted resolutions that have effectively imposed legal obligations on all United Nations member states This book seeks to move away from the discussions of whether the Security Council in the current composition and working methods is representative capable or productive Rather it assesses whether legislative activity by the Security Council can be beneficial to international peace and security The authors examine and critique the capacities of the Security Council to address thematic international threats such as terrorism weapons proliferations targeting of civilians recruitment of child soldiers piracy as an alternative to the traditional model of addressing country specific situations on a case by case basis Ultimately the book seeks to assess the efficacy of the Security Council as global legislator in terms of complementing the Security Council s mandate for the maintenance of international peace and security with a preventative and norm setting capacity The book presents views from a diverse range of Security Council stakeholders including academic scholars political analysts and international lawyers This resource will be of great interest to students of international relations international organizations and international security studies alike      **The Oxford Handbook of the History of International Law** Bardo Fassbender,Anne Peters,Simone Peter,Daniel Högger,2012-11 This handbook provides an authoritative and original overview of the origins of public international law It analyses the modern history of international law from a global perspective and examines the lives of those who were most responsible for shaping it

**Global Justice, Kant and the Responsibility to Protect** Heather Roff,2013-06-26 This book provides an innovative

contribution to the study of the Responsibility to Protect and Kantian political theory The Responsibility to Protect R2P doctrine has been heralded as the new international security norm to ensure the protection of peoples against genocide ethnic cleansing war crimes and crimes against humanity Yet for all of the discussion endorsements and reaffirmations of this new norm R2P continues to come under fire for its failures particularly and most recently in the case of Syria This book argues that a duty to protect is best considered a Kantian provisional duty of justice The international system ought to be considered a state of nature where legal institutions are either weak or absent and so duties of justice in such a condition cannot be considered peremptory This book suggests that by understanding the duty s provisional status we understand the necessity of creating the requisite executive legislative and judicial authorities Furthermore the book provides three innovative contributions to the literature study and practice of R2P and Kantian political theory it provides detailed theoretical analysis of R2P it addresses the research gap that exists with Kant s account of justice in states of nature and it presents a more comprehensive understanding of the metaphysics of justice as well as R2P This book will be of much interest to students of the Responsibility to Protect humanitarian intervention global ethics international law security studies and international relations IR in general

### **Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution Introduction**

Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution Offers a diverse range of free eBooks across various genres. Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution, especially related to Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution books or magazines might include. Look for these in online stores or libraries. Remember that while Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution, sharing copyrighted material without permission is

not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution eBooks, including some popular titles.

## **FAQs About Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution Books**

1. Where can I buy Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution book to read?  
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution books?  
Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Grounding Cosmopolitanism From Kant To The Idea Of A Cosmopolitan Constitution books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
