*Living by Grace In an Ungracious World* Tom Rhodes, 2019-01-22 Living by Grace in an Ungracious World is not accomplished by self effort The word grace can describe the smooth movement of a ballerina or the long stride of an Olympic runner or even geese flying in formation in the sky Certainly this gives some idea that grace is a thing of beauty However the Biblical doctrine of grace has a much greater meaning for the Christian because it is not possible without the intervention of God Himself We will find in this book that biblical grace is granted from the Sovereign God who brings that wonderful life through salvation and sanctification Our part is developed through a personal mindset and personal relationships by yielding to God s power True life in Christ is to be living by grace This is the road less traveled but the best road to walk on through our sojourn on earth as Christians

Jason Valeriano Hallig,2016-05-16 What is a church What makes a church a church What is necessary to have a church Is membership in a local church really that important Might a group of people who claim to be Christians become so unlike what a church should be that they should no longer be called a church Why are there so many churches of different traditions What is tradition Are the historical traditions of the church still relevant today These and many others are questions related to the life and purpose of the church which every Christian must wrestle with not only for themselves as disciples of Jesus but also for others to whom they are called to make disciples One of the early confessions of the Christian church centers on the

catholicity of the church we believe in the holy Catholic Church It was Ignatius who first used the word catholic and rightly identified the church as the Catholic Church Where Jesus Christ is there is the Catholic Church This book offers a fresh look at this important mark of the church from an evangelical perspective and seeks to elucidate the life being and purpose doing of the church The author believes that catholicity is to the church as the Trinity is to God We are Catholic is a confession of our faith in Christ our commitment to the unity of the church local and universal anchored in the Word and in the Spirit and our passion for the mission to all the nations as a community of disciples of Jesus Christ **Making Disciples Across Cultures** Charles A. Davis, 2015-04-15 Culture affects how we make disciples In this insightful roadmap Charles Davis former director of TEAM provides a framework for missional discipling across diverse cultural contexts With on the ground stories from a lifetime of mission experience Davis navigates cultural tensions to help Christian workers minister more effectively at home or overseas

**Fulfilling God's Purpose by Growing in Life and Functioning in Life to Build Up the Church** Witness Lee, 2025-03-13 God's purpose for us is that we would express Him and subdue His enemy However as created men we cannot accomplish this purpose by ourselves Rather it is by taking the Lord as our life that we can fulfill God's purpose When Christ enters into us He does everything in us and through us and we are able to do all things in Him He becomes our life supply and the issue of enjoying this life supply is the growth in life Then by the growth in life we are spontaneously united and built up together to be one entity the Body of Christ It is through the Body of Christ that God's purpose is accomplished If we practice what has been ministered to us regarding how to grow in life how to serve the Lord and how to build up the church the Lord will bestow His abundant blessing upon the church with all the saints The Lord will bless us not only spiritually but also physically even in material things He will bless us all inclusively because we are caring for His heart's desire to build up His church

**Becoming a Grand Champion Church** Dale Heinold, 2012-03 There are many ideas about how to increase the size of a church But what if our vision is upside down What if God's desire is that we focus on being a quality church instead of simply a large church The Bible envisions the church as a spotless bride a vision of quality Today's church seems far from God's vision of perfection but that does not change the goals God has for His flock Using Psalm 23 as a blueprint **Becoming a Grand Champion Church** explores how Christ is shepherding His church toward maturity A gap exists between this age's knowledge of sheep and shepherding that makes it difficult to grasp the fullness of Christ's shepherding work in the church The author seeks to fill that gap with homespun remembrances of raising sheep to be shown at the county fair He then ties the shepherd's duties with practical suggestions of how the whole body can work alongside the Good Shepherd toward Christ's vision for His bride The result of following God's plan is a Grand Champion Church that reflects the qualities of Christ to the world
