Growing Up Spiritually:

Growing Up Spiritually George Mfula , Growing Up Spiritually is worth reading It will bring you into realms of unprecedented fellowship with God and His Spirit Whether in Africa Australia Asia South America Europe North America or the USA no Christian can outgrow the need for spiritual growth If you and I think spiritual growth is only for those who just got born again yesterday then we have missed it entirely As long as God remains on the throne we can t outgrow Him in every way Hence the need for us to thirst and hunger for Him and to grow more and more in Christ Jesus Just because you are a prophet pastor teacher apostle or founder of some ministry that does not exempt you from spiritual growth However if you think you have arrived at your spirituality and you don t need to grow up just know you are standing on dangerous ground The Bible says in 1 Corinthians 10 12 Therefore let him who thinks he stands take heed lest he fall Each time you think you know it all and you don t need to grow up anymore just know that is pride at work Then we already know that proud people never last long in the race of life Get this book You will scale greater heights of wisdom understanding knowledge and spiritual growth in Christ Jesus **How to Grow Up Spiritually** Steve Shamblin,1986-06 **Growing Up Spiritually** Kenneth E. Growing up Spiritually Kenneth Hagin,2021-06-15 **Spiritual Growth** Kenneth Kanu,2017-08-29 Being a child of God is not enough to possessing your possessions in this Kingdom Yes You are an authentic bonafide child of God but if you don t grow spiritually you will still not possess your possessions God who is a good Father has good plans for His children but He cannot release them on them until they grow up spiritually Luk 11 13 Possessions are for sons and not for babies even though babies are also legitimate children Many children of God today are not possessing their rightful possessions because they are still children spiritually even though they may be well advanced in age In this book I showed you the dangers of not growing spiritually and also steps on how to grow spiritually I put in so much prayer in writing this book so I have no doubt in my heart that this book will change your spiritual life forever

It's Time to Grow Up Trevor Botha,2017-04-17 Grown men don t wear nappies and babies don t drive cars In life it is important that we act our age Spiritually it works the same way If we don t grow continually as a Christian we build expectations based on other people s experiences instead of our own current position Are you struggling to connect with God or are you frustrated that your prayers are not being answered The question is how mature are you spiritually speaking Truth is a parent relates differently to a baby than to a teenager So too your Heavenly Father relates differently to you as a little child a young man or as a father in the faith as highlighted in 1 John 2 Each growth phase poses a different degree of intimacy as well as a different level of responsibility in God s Kingdom In this book you will learn how to relate to God as A little child receive revelation of God as a Father and understand adoption into His family A young man learn how to build strength and overcome the three enemies of your soul A father in the faith live in deep intimacy with the Father while raising sons of the next generations It s time we grow up into full spiritual maturity Creation depends on it
