the mother of Jesus before Jesus was even born He then weaves the story of Jesus's boyhood into his own life Mutual associations with friends religious events and holidays as well as occupational happenings will remind us of how life was as ordinary for Jesus growing up as ours is today Simon relates his own daily life including his impatient personality relationship observations Roman political presence dealing with the death of a loved one and biblical morals and perspectives Casual story telling of epic biblical events morals and perspectives are included in Simon's narrative Obviously the events you will read about are how the author imagines things might have been References to Jewish practices traditions and holidays were thoroughly researched and every effort was made to stay as true as possible while creating the story It is supposed by the author that Simon and his brother Andrew might have known Jesus before they were called to follow him into ministry leaving their homes and families behind The geographical setting is used to include the sea on which Simon and Andrew could earn their living The story ends significantly on Chapter 29 with Jesus at age twenty nine and where the documented biblical narrative of Jesus ministry begins The author developed this story over twenty years and has finally released it for children to read and enjoy The hope is that after reading this book as a child or a curious adult one will find the Bible to be captivating as they yearn to learn more about our Lord Jesus Christ *The Parable of the Leaven* Christie Myers, 2024-07-08

the greatest light the world has ever known greater and more piercing than the sun illuminating every soul is the life of Jesus Christ He has given His example He has shown what ought to be done in every case to every boy and girl every man and woman About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Growing Up with Jesus* Francine O'Connor, Kathryn Boswell, 1977-09 *The Christian Reading Series* Beka Book Publications (Firm), 1975
